Camelot Rise Primary School

Camelot Rise Primary School is a happy, community focused school that believes children learn best when they are relaxed and having fun. Children are exposed to activities that teach them both how to succeed and how to learn from their mistakes. Camelot Rise teachers focus on developing the ‘whole child’, finding out what a child is naturally good at and extending them in these fields whilst supporting them to develop in all other areas as well.

The Prep program caters for a wide range in abilities. Teachers have a firm belief that every child can learn and every child needs to feel successful.

Parents at Camelot Rise are a vital part of the shared educational process and are warmly welcomed to the school.
