FROM THE PRINCIPAL

Farewell and Good Luck Tennille

Tennille Anderson, our wonderful Associate Principal, will be going on Family Leave at the end of this week as she prepares for the birth of her first child.

We will of course miss her and wish her (and partner Paul) all the very best. If her teaching skills are anything to go by she will be an amazing mother. We will be having a brief assembly on Friday afternoon (just before the bell, in the central undercover area) to say farewell.
Student Leaders
Yesterday our student leaders were presented with their ‘official’ leadership badges. Neil Angus (State MP for Forest Hill) came along to present the badges to the students – both the Level 6 leaders and the Junior School Council representatives.

Above: Here are our Level 6 leaders (we will include the Junior School Council in 2 weeks’ time)
We are very lucky to have such leadership depth amongst our student group. There is such great depth that new ‘Action Teams’ were introduced in 2015. These action teams which include student wellbeing, grounds/green team, the canteen and office, will allow our entire Level 6 group to have a specific leadership role and responsibility throughout the year.

Parents’ Club
The Parents’ Club held its AGM yesterday and managed to fill most of the executive positions, and the committee has started to plan for upcoming events. In order for it to operate most effectively further additional help is required to undertake event planning and fundraising. We would love to see some new faces helping out in any way possible – this may include the canteen, uniform shop, fundraisers, special days etc. If you can help it would be gratefully received.

Election – School Council
Yesterday information came home regarding the election of 2 Parent representatives on School Council. This election was required as a result of calling for further nominations as we only had 3 nominations for 5 positions the first time around. Then we had 6 nominations for these final two positions. So please vote in the election, it is important that you have a say in who represents the parents on School Council. Voting closes next Tuesday 10 March at 4pm, and all votes will need to be put in the ballot box in the office. All instructions and details were included in the information sent home yesterday.
The initial 3 parent representative positions were filled by Gerard De Vries, Craig Morton and Carrie Foster.

Lost Property
As often is the case in primary schools many items of clothing go missing on a day to day basis. We have a lost property box in the office area where all lost items are placed, and we have a Parents’ Club representative who regularly redirects named clothing to the owners. In order to ensure that items do not remain lost it is important to do the following:
- Ensure all of your child/ren’s items of clothing are named in such a way that this cannot be removed
- Check that the items of clothing your child/ren bring home actually belong to them (sometimes the wrong clothing is picked up in error)
- If your child loses a piece of clothing, check the lost property box in the office area

Twilight Sports
All children and their families are invited to attend the annual Twilight Athletics Sports to be held on the school oval on Wednesday 18th March, 2015 from 5:00pm-7:00pm (F-2 events until approximately 5:45 and 3-6 events until around 7:00pm). Come along and join in the fun of our annual twilight sports. The Parents’ Club will provide BBQ tea for you if you wish and this will continue through until around 7:15 to allow the children to have something to eat once they have finished their activities. Are you available to help out on the night? The Parents’ Club do a super job on such evenings but do need your help to ensure fast and efficient service. If you are able and willing to assist in serving, cooking, setting up or packing up please let them know. A note requesting support is on its way!

Open Door Policy
Helen Thomas (Associate Principal) and myself have an open door policy which means we are more than happy to talk to you about any concern you have or to hear wonderful things about the school or your teachers. Please remember also that the classroom teacher should be your first point of call if your query is regarding the classroom program. You can catch us in the yard before or after school, pop in or make an appointment with the office.

Reminders:
- Class Representative information came home yesterday, please consider taking on this role
- School photos are set down for the 25th March, please note this date in your diary and further information will be coming home later this week
- If you are dropping your child off late for school in the morning you MUST bring them into the office and sign them in personally at the office, it is not appropriate for children to be entering the school on their own after yard supervision is over.

Have a great week
Kirrily George
Principal

From the Associate Principals

Foundation students
This week our Foundation students begin full time. Our Foundation classes have settled very well and their teachers have completed the assessments that we undertake each year. Thank you to Amanda Curtain, Cameron Stillman and Natalie Slobodzian for their hard work settling the students and for completing the assessments. The information gathered through these assessments allows teachers to work on the next steps and goals for students and their learning.

Events
There are many events planned for students at CRPS in the coming weeks. Art excursion for Level 6, AFL footy clinics, GRIP Leadership conference for School Captains and Vice Captains, Twilight Sports. Please
ensure you are aware of the events going on and any notices that need to be returned to the school ahead of the event. Thank you to the staff organising these events for all their efforts in planning these special activities for our students.

Public holiday
Next Monday 9th March is a public holiday for Labour Day. There will be no school on that day.

Assistant Principals,
Helen Thomas and Tennille Anderson

Good bye for now....
This Friday will be my last before finishing up to begin maternity leave. I would like to say a huge thank you to all of our fantastic community members, families and students who make coming to work every day for me, such a pleasure. Your support and advice has meant a lot to me and I will certainly miss being a part of this incredible school (even if only for a year!).
I would like to extend my thank you to Helen Thomas whom I have absolutely every faith in, and remind parents of our open door policy. Helen, like myself, values your input greatly and welcomes all thoughts, comments and questions openly.
I know 2015 for Camelot Rise will be exciting, with the development and implementation of a new Strategic Plan.
I really look forward to learning about how this transpires.

Good luck to the Level 6's this year in their final year of primary school, my very first bunch of 'Camelotians'! I'm sure you will do our school proud, as you have over the years.
As I embark on this new journey and challenge I will have our values, namely resilience and optimism – at the forefront of my mind! Looking forward to introducing my little one in the near future.

Take care and thanks again,

Miss Tennille Anderson
WHAT ELSE IS GOING ON AT CAMELOT

Foundation School Nursing Information

Victorian Primary School Nursing Program

Information for schools 2015

Following a review of the completed SEHQ by the school nurse, some children may require additional follow-up and assessment. This may include direct follow-up with the student for a particular assessment (e.g., visual or hearing assessment) or contact and follow-up with a parent/carer.

If a child has not had a SEHQ completed and the school believes they would benefit from assessment by the school nurse, the school can encourage the parent/carer to complete the consent section of the SEHQ (page 8). This will enable the nurse to follow-up with the parent/carer and for the child to receive a school entry health assessment.

Conducting a health assessment

The nurse may need to conduct a follow-up assessment with some students. In order to comply with occupational health and safety requirements and to enable the nurse to conduct these assessments accurately and in a private and confidential manner, please make the following available to the nurse:

- an enclosed room of at least 3.3 metres in length (for vision testing) in a quiet area
- adult size table
- adult size ergonomic lift chair
- access to an electric power point
- a small table and chairs for children

School Entrance Health Questionnaire (SEHQ)

The SEHQ is a clinical tool that assists nurses to triage children who may need additional assessment and support. The questionnaire includes a range of questions about a child’s general health and development, behaviour and emotional wellbeing and the family. Completion of the SEHQ enables nurses to respond to parent/carer concerns about their child’s health and wellbeing and also work collaboratively with teachers and families to improve outcomes for children. The completion and return of the SEHQ is crucial to assist with this process.

This information sheet provides details for all school staff, in particular school leaders, pre-entry grade coordinators and/or pre-entry teachers about the Primary School Nursing Program and the service to be offered in 2015.

Working with the school nurse

The primary school nurse will contact the school to arrange visiting dates and provide information for the distribution of the School Entrance Health Questionnaires (SEHQA) to all prep students.

When distributing the SEHQA, teachers are requested to discuss any concerns they have regarding a child with the child’s parent/carer(s) and seek consent for the issue to be raised with the primary school nurse.

It is also helpful if teachers identify children who have already been referred to Student Support Services.

A class list of all returned SEHQA should be kept to identify those children who may need reminder letters sent home. An additional SEHQA will be provided if it is deemed by the classroom teacher/other staff member that the child would benefit from being assessed.

Please note: the SEHQ contains confidential information and should remain sealed. All completed questionnaires are to be returned unopened to either the nurse or the North Eastern Victoria Region Metropolitan Office.
Nurses are required to transport a large volume of equipment. Consideration of the location of the nurse's work area would be appreciated. E.g. easy access to car park, ground floor and close proximity to prep classrooms.

Children in years 1-6

A Student Referral Form is available to facilitate a referral by a parent/carer/teacher of a student in years 1-6 and all recently arrived students from overseas. Teachers may wish to discuss a referral with the school nurse to clarify whether the referral is appropriate.

To make a referral to the school nurse, the teacher needs to discuss their concerns with the child's parent/carer(s), advising them that their child can be referred to the school nurse and that their written consent is required for the assessment.

Teachers are requested to complete the teacher's section of the Student Referral Form (Part A) prior to the form being sent home to parent/carer(s) for their consent.

Nurses may also need to follow-up students that have received an assessment and/or referral previously. The nurse will contact the relevant class teacher to arrange to see these children.

Informing parents

Ahead of the nurse's visit it would be helpful to let parents know about the service through the school newsletter. Consider including the following information:

Caryn Pearson a visiting primary school nurse from the Department of Education and Training will be attending the school to conduct the Prep grade health assessments and to see other children as requested by parents or teachers (with parents' consent).

The purpose of the visit is to provide all Victorian children with the opportunity to have a health assessment; to link children, families and school communities to services available in the community; and to provide information and advice that promotes health and wellbeing.

Parents are invited contact the visiting primary school nurse if there are any issues they wish to discuss. The contact number for the visiting primary school nurse is 0427 016 826.

Parents of students (other than Prep students) that wish to be seen by the school nurse need to complete a Referral Form that is available at the school office. This completed Referral Form needs to be returned to the school office.

Details of your visiting Primary School Nurse:

Name: Caryn Pearson
Phone number: 0427 016 826
Values certificates will now be awarded to students. This will involve students from each class nominating fellow class-mates who have displayed one of our 4 school values of responsibility, respect, optimism and resilience, followed by a student vote to elect one class winner. The Specialist Team will also be selecting a student who has displayed a value during a specialist class. All winners will receive a value certificate from their teacher. At Monday morning assembly winners names will be called out and they will stand up as an acknowledgment.

Compass has arrived!
We are pleased to advise that the Compass School Management system is now in operation at Camelot Rise. Compass provides our school community with a range of facilities that will streamline communication and provide enhanced access to information. It will also improve many of the school’s administration processes.

Eventually Compass will become the primary communication tool between the school and home. Parents will be able to log in to Compass via the school website, the Compass website or via smartphone and tablet apps.

Each family listed in the school administration database has a unique log in for Compass. Letters will be sent home this week with the log in and temporary password which you will be able to use straight away. Compass is intended to be self-explanatory and easy to use (many families in our community already use the system in their secondary schools).

Parents will play an important role in the success of this initiative. It will be essential that parents log in regularly to access newsletters, news feeds and more. It is essential that the Username and Password that you will receive is kept in a safe place, (and not made available to your child) for use in the future.

If you require assistance logging on to Compass please contact the school office.

Uniform Shop News

Uniform Shop opening hours are 8:30am to 9:00am (2nd Bell) and 3:15pm to 3:45 pm Mondays.

The Uniform shop opens on Mondays from 8:30 am - until 9:00am (2nd bell). It reopens at 3:15 pm until 3:45 pm on a Monday afternoon. Exchanges or refunds can be given on new uniform items where they have NOT yet been washed, worn or named. We accept Cash, Cheques, Mastercard, Visa and EFTPOS facilities are available at the school office.

The Uniform Shop is closed for Labour Day on Monday March 9. Any orders brought in to the office will be filled on Wednesday and sent to the child's class.

A reminder that the tunic order forms that were sent home for the Foundation to Level 4 are due back by this Friday March 6. Forms available at the School Office or can be obtained on-line on the Camelot Rise web site.

Credit Card Payments (change to the process)
In order to streamline some of the processes in the Uniform Shop, parents paying by credit card are asked to pay for their order at the office before collecting their goods from the Uniform Shop. This is the same process as when paying by EFTPOS. Parents who are unable to attend during opening hours can complete and order form with the credit card details and leave it at the office. It will then be processed before being sent to the uniform shop for filling and distribution to the student via the class tub.

Thank You

Anna

Upcoming Events:

- **Ice Cream Day – Friday 13th March**
  
  $2.00 per sundae. Parent’s Club will be having their first ice cream sundae day for this year on Friday 13th March. Served in the canteen at lunchtime, children can choose a vanilla ice cream with a choice of chocolate, strawberry or caramel topping with sprinkles! Bring money on the day.

- **Twilight Sports – Wednesday 18th March**

  Parents’ Club will be running a BBQ for all your dinner needs the night of Twilight Sports on Wednesday 18th March. There will be available for purchase sausages in bread, chicken skewers, vegetarian burgers, drinks, icy poles and other assorted canteen items. A notice asking for volunteers to help with the bbq will be sent out this week.

- **Bunny Brunch – Thursday 26th March**

  Parents Club is organising a special hot cross bun morning tea for the children. Order forms will come home soon. Children can order a hot cross bun and drink for $3.00. Order forms are due back by Thursday 19th March.

- **Easter Raffle**

  Raffle books will come home soon. Tickets are $1 each. Prize packs include chocolate and books! The raffle will be drawn at assembly on the last day of Term 1.
**Program Update**

**Dear Parents**

**Bookings and cancellations**
Parents are reminded to book and cancel online but if you need a booking/cancellation please contact the service on 0407342157.

Parents please remember to contact the service if you child is cancelled or the child has left school early. We must account for all children on our roll. If a child doesn’t arrive we must follow our “missing child policy”. Please ensure all contact details are current.

**Leadership Opportunities**
Older children at OSHClub are given leadership opportunities where they can organize and run an activity or group game. Heba often asks to run again and Tantrum Tiggy on the basketball court in the gym has been popular. This opportunity assists in developing confidence, teamwork, and individuality as well as making positive connections with their peers.

**Physical play**
At OSHClub we provide opportunities for children to get active. We enjoyed a game of Run the Gauntlet on the outside basketball court. The children learned a new way of playing this game which involved all children. We adjusted some of the rules to ensure the younger children were given equal opportunities in the game.
Piano Lessons at Camelot Rise
There are limited vacancies for private piano lessons conducted at school during the day. Ilona Wright is fully qualified and has been teaching piano at Camelot Rise for almost 20 years. Call Ilona on 9779 4887 for more information.
