This term students will be working from a choice of rich learning tasks designed to revise & consolidate concepts explored throughout the year. Based on data from end of Term Three assessments, teachers have identified focus groups for specific targeted learning to cater for individual needs. Teachers have also assigned specific tasks on MangaHigh to cater for individual needs. Time will be allocated in Maths lessons for MangaHigh, focused teaching groups and time to complete rich learning tasks.

**READING & VIEWING:**

* Over this term we will be revising many of the reading strategies we have explored over the year, assisting students to monitor their comprehension as they read a variety of texts.
* Students can use a comprehensive range of reading strategies.
* Students can use their deep understanding of a text to respond critically to a text.

**WRITING:**

* Students will be involved in writing tasks this term that encourage them to take on different points of view, looking at events from the perspective of others. They will write about an event from their holidays from the point of view of a family member and write a biography about someone they find inspirational.
* Students are able to view and write texts from a range of perspectives.

**SPEAKING & LISTENING:**

* Students will present an oral presentation based on the biography they have written about someone who inspires them.
* Students are able to use effective speaking skills (volume, pace, tone, eye-contact, humour, creativity, for example) to engage an audience.

Thank you for your continued support. We are looking forward to another happy and successful term.

Regards,
The Level 3 & 4 Team
