2016 – the Chinese year of the Monkey.
Happy Chinese New Year

On Monday our school leaders received their Leadership badges, presented to them by Neil Angus the local member for Wheelers Hill.
Here is a lovely photo of the leadership group.

I want all children to remember – just because you have a badge it doesn't automatically make you a leader, and you can be a leader without a badge.

EMERGENCY MANAGEMENT
You will no doubt have heard about the situation many schools have experienced regarding threatening hoax phone calls over the last week or so. I also hope you accessed the email I sent regarding this (via COMPASS).
This is to reassure you that we were fortunate not to receive a call and certainly would inform parents if this was the case. In many cases situations evolve which test us and this has indeed been one of these for many schools. What it has highlighted is the importance of an effective Emergency Management Plan, and the staff at Camelot have been informed and updated regarding this over the last few days.
As part of all schools Emergency Management plans, a schedule of practice drills exists. Therefore across the year we will undertake a variety of practise drills and your child may come home talking about these. Please reassure them that we do so in the slim chance of a problem occurring. We will also inform parents on the occasions that we do run a practise, for authenticity purposes this will be after the practise.

PARENT DETAILS
Please ensure that all of your family details that we hold are correct. In an emergency situation it is absolutely vital that we have all of the correct and most up-to-date family information.

STUDENT INSURANCE
The Department of Education and Training (DET) does not provide personal accident insurance for students. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any transport costs. Student accident insurance policies are available from some commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance.
Personal property is often brought to school by students, staff and visitors. This can include, but is not limited to mobile phones, electronic games, calculators, toys, musical instruments, sporting equipment, and cars parked on school premises. The Department of Education and training does not
hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property. It is probably wise for valuable items to be left at home.

SCHOOL COUNCIL
Nomination forms for the five (5) Parent Member vacancies on School Council are available from the office. More detailed information was provided in last week’s newsletter and via the COMPASS Newsfeed on Friday of last week.

The timeline for the nomination process is as follows:
• Nomination forms will be available from the office Friday 5th February
• Completed nomination forms are to be returned to the Office and receipted
• Nominations close at 4.00pm on Monday 15th February
• A list of candidates and nominators will be posted on the School’s Office door by Wednesday 17th of February
• If an election is required, ballots will be distributed on or before Wednesday 17th February
• If an election is required ballots will close at 4.00pm on Friday 26th February

If you have any questions regarding this process please don’t hesitate to call me on 9803 5344 or email george.kirrily.j@edumail.vic.gov.au

PARENTS CLUB
The Parents Club is a vital group within the school community. Not only does it undertake the vast majority of fundraising across the school which enables us to purchase additional items that we couldn’t otherwise pay for (like Interactive Whiteboards, staffroom upgrade, astro-turfing the basketball court, iPads etc), but it provides a strong social network for families within the school.

In 2016 the AGM will be held on Monday the 22nd February, immediately after the school assembly at 9.45am, in the Tydeman Arts Centre. There are executive roles to be filled like the President, Secretary, Vice-president, Treasurer etc. and I will send information out about these over the coming weeks to give you more of a sense of the responsibilities. There is also the opportunity to be a general committee member who may at times lead the organisation of events, or simply assist with the organisation.

Please think about being involved – the school needs you! We have an exciting year ahead with our 40th Anniversary celebration and this provides a wonderful opportunity for our schools to utilise all of the wonderful skills and abilities of our parent group.

I have attached the Parents club Executive positions for you to consider (later in the newsletter).

EXTRA FURNITURE – GOLD COIN DONATION
In recent years we have been improving the environment and ‘workability’ of our classroom spaces. In doing this we have replaced older furniture with new furniture, leaving us with some ‘extra’ and leftover furniture.

At the moment we have some leftover swivel chairs (green in colour) which could be useful at home as desk chairs for families. In an effort to reduce waste and reuse items we would like to offer these to our Camelot families. They are in very good condition and in return we are only asking for a small financial donation. (See the picture on the right).

If you would like one of these swivel chairs for use at home please let me know (in person or via COMPASS, whichever is easier for you).

Have a great week and please don’t forget that my door is always open (despite being a bit hidden behind the main office),

Spotlight on Learning
Today in the Foundation area the students were working hard with their literacy activities. They were completing various tasks with a focus on Letter identification and sounds. Some of the tasks included letter games, making words, magazine search and making letters and words using play dough.

Student Leadership
As part of our leadership development we have organised for our school leaders (Captains and Vice Captains) to attend the GRIP Student Leadership Conference. I will attend with them and we will be going to the Melbourne Convention and Exhibition Centre on Thursday 12th February. This event includes a range of presentations, interactive sessions, discussions, leadership games and entertainment. To find out more about this event: www.gripleadership.com.au

It will be expected that our school leaders take notes on the day as we would like them to present their findings from this event, to the other Level 5 & 6 students, when back at school. Last week Mrs George presented to the Level 6 cohort, a presentation on leadership and what makes a good leader. We then spent time in our Action Teams; Canteen, Office, Wellbeing and Environment. We will work in these teams for Semester 1 taking action around the school supporting students, staff exploring new ideas and implementing new initiatives.

‘Getting to Know You’ Interviews
In some cases a parent sharing relevant background information such as a child’s academic strengths, their social and emotional competencies, their family circumstances or medical/health information, can be invaluable to a teacher catering for a child in their care. Parents are encouraged to share with their child’s teacher any background information they believe relevant to their child which may influence their learning and/or wellbeing.

Please book for the ‘Getting to Know You’ Interviews for Monday 15th February 2016 3.50-8.00pm through Compass. Alternatively, feel free to catch up with your child’s teacher at another mutually convenient time or you may also feel you do not need to see the teacher as you caught up late last year, last week or maybe even it is the second year your child has had that teacher.

Homework Policy
Homework will be provided to all students from Foundation to Level 6, with expectations increasing and becoming more formalised as students get older and gain greater independence with their learning.

Homework expectations will be as follows:
- Up to 15 minutes a day – Foundation
- Up to 20 minutes a day – 1 / 2
- Up to 30 minutes a day – 3 / 4
- Up to 45 minutes a day – 5 / 6

Content
The homework provided to students at CRPS will be personalised to cater for individual needs and it will support the focused learning outcomes of the classroom. This may be reflected in the following ways:
- Reading books matched to the students reading ability and goals
- Research topics of choice and/or research designed to support the QUEST
- Consolidating maths work from maths groups
- Spelling investigations
- Social and emotional wellbeing activities
- Individual Learning goals (linked to individual learning plans where required)

The curriculum areas that will form the focus of homework are Literacy, Numeracy, Inquiry and Student Wellbeing. Daily reading and recording associated thinking is a requirement for all students from Foundation – Level 6.
There will be a clear statement outlining the purpose of the homework for clarity (i.e. revision, preparatory homework, consolidation, practice, extension etc.)

**Delivery and Completion**

Foundation: students will have daily reading requirements and ‘as needs’ homework provision, delivered and completion required on a night by night basis.

Level 1-2: Students will be given weekly homework.

Level 3-6: Homework will be given to students every Monday, there will be a 10 day cycle, with the expectation of it being returned by the following Wednesday. This will ensure every second weekend students have no specific homework expectations; however it will allow for completion of tasks associated with out of school activities and ensure quality family time is uninterrupted.

- All homework from Levels 1 – 6 will consist of a compulsory section (minimal requirements) combined with an opt-in section.
- Parents will be required to approve student’s completion or non-completion of homework, by signing the weekly homework sheet.
- All students who do not complete required homework (and whose parent has not signed this non-completion on the homework form) will attend homework club. This will be provided on every second Thursday (half of lunch) where they will be supervised and supported to complete outstanding tasks.
- Feedback on homework is expected, teachers will provide feedback and parents will have the opportunity to provide feedback to their child/ren. (Feedback may include a comment, a rubric, a discussion, marked work etc.)
- Homework will be checked and monitored by teachers. Teachers will make contact with families if homework has not been signed for a few weeks.

Any questions about Homework please don’t hesitate to speak to your child’s class teacher. The full Homework policy and other polices can be found on our website at [http://www.camelotrise.vic.edu.au/policies](http://www.camelotrise.vic.edu.au/policies)

**Compass**

Thank you to those families that attended the Compass Information Session last night. We revised over entering an absence, how to email, how to consent to an event, passwords, New Feeds and attachments (notifications and emails) the importance of maintaining current contact details, retrieving Student Reports- once the child leaves the school the reports disappear (Compass would charge you a fee), Insights and Conference Bookings. If you have any questions about Compass or trouble logging on or booking a conference please come and see us in the office.

**Information Nights**

The Level 1/2 Information Night was held last night and very well attended by our families. The Information Nights are a great opportunity to come along and meet staff from the levels and find out more about the programs being conducted at your child’s level. The Level 3/4 and 5/6 Information Nights will be held next Wednesday 17th February. The 5/6 Information Night will be at 6.30pm followed by the 3/4 Information Night at 7.30pm.

**Nibbles and Natter and New Families BBQ**

Last Thursday we had a great night at the Nibbles and Natter and New families BBQ. The Nibbles and Natter was well attended by our Foundation families with lots of information shared on the routines of school and important dates and reminders. Thank you to the School Council who put on the event and those school councillors and Parents’ Club who assisted with the event.

Hi all! I am extremely excited to introduce myself as the new music teacher at Camelot Rise Primary School. Firstly, I will give you a quick snapshot of who I am. My name is Miss Karla Nyhuis, I have completed my Bachelor of Music specialising in piano performance, and have recently completed my Master of Teaching at The University of Melbourne. I play a variety of instruments, such as cello, guitar, ukulele and voice, and play/sing a wide range of genres, such as classical, jazz and contemporary.
My large joy is sharing my passion and knowledge for music, so I can’t wait to get started. Stay tuned for more information in the Term 1 newsletter!
Spotlight on Physical Education

My name is Dean Roberts, and I have been recently appointed as the Physical Education teacher at Camelot Rise. I come to the school as an active participant in various sports, and can’t wait to share my wealth of knowledge with your children. First term across all levels will be about developing the students’ fundamental motor skills. For Levels 3-6 this will involve preparation for the athletics carnival in Term 2. For Levels F-2 I will be working with the students to form the building blocks of movement patterns required both on and off the sporting field. I look forward to meeting many of you in the year ahead.

VISUAL ARTS – SPOTLIGHT

Welcome to a new year. Mrs Adrienne Meer and I (Mrs Mary Katsigiannis), look forward to an exciting year in creatively working in the area of Visual Arts with all students. Adrienne will be teaching Foundation level along with Levels 1 & 2 and I will be teaching Levels 3 & 4 along with Levels 5 & 6. Please keep a look out for our Term 1 Newsletter which will provide more details of our program and expectations for this term. We would also like families to be mindful that every student in F-6 should have a smock (with their name on it) at school by now.

Thank you in advance for your support.

The canteen will be offering snack sales only on Tuesdays, Wednesdays and Thursdays during lunchtime.

We always need help, so please contact Belinda Foster djabf@tpg.com.au or mobile 0413 308 978 if you would like to volunteer.

Canteen duty involves arriving at approximately 1:00pm for set up; we serve the children snacks between 1:10-2:00pm

It’s a great way to get involved, meet new parents and spend time with the children!
