Welcome to Term 2. Last term was very busy as students worked on completing tasks for their portfolios. This term has begun very positively and I am always impressed by the level of commitment and the standard of work produced by students through all levels.

French Poetry Competition
Students will begin learning their poems this week for the competition which takes place on Tuesday, June 7 at school.
Noumea Study Tour 2017
Students currently in Years 4 and 5 have the opportunity to participate in this amazing study tour to Noumea in New Caledonia. An information night will be held later this term for interested parents and students. A representative from GET tours will be there to answer all your questions as we detail what is involved. Look out for the date on Compass.
