Term 2 Phys Ed Focus
Term 2 Phys Ed will have a whole-school focus on invasion games. Invasion games are classified as sports or games where teams must invade their opposition’s territory to score. Football, soccer, basketball and hockey are all examples of invasion games. Foundation – Level 2 students will be continuing to work on their fundamental motor skills, and beginning to apply them to sporting situations. Level 3/4 students will be beginning to apply their fundamental motor skills, while developing sport specific skills. There will be a focus on decision-making and strategy. Level 5/6 students will be developing sport-specific complex motor skills, while also developing and evaluating tactics and strategy in various game situations.

Premier's Active April
Premier’s Active April is a state government initiative, which encourages students, teachers and parents to get physically active for the month of April. The students, teachers and parents of Camelot Rise are encouraged to set up an account at www.activeapril.vic.gov.au and join the Camelot Rise PS team by entering the code camelot-rise-ps in the ‘Request to join a team’ section.

Once an account has been created, students can log all of their physical activity for each day of the month of April (starting with their 45 minute PE lesson each week!). Any physical activity completed over the holidays can still be entered by clicking on the ‘Tracker’ section and clicking on the activity date.

Examples of physical activity that can be logged are:
- School PE lesson
- Walking/riding to school
- Playing games/sports at lunch time
- Afterschool sport activities
- Leisure activities

At the end of the month each participant can see their own physical activity levels across the course of the month, as well as the total amount of physical activity undertaken by our whole school community.

There are some great prizes to be won by individuals and teams, and the more people from the Camelot Rise community who join our team, the better our chances of winning!

Other Important Dates
26th April – Level 3-6 Intra-School Cross Country
Make sure you are wearing your runners!

5th May – Level 3-6 Intra-School Athletics Carnival

16th May – District Cross Country
