Prep P.M.P

The Perceptual Motor Program (P.M.P) is running every Thursday from 12.15 to 1.00.

P.M.P aims to give children experiences of seeing, hearing, touching, processing and making perceptual judgments through sequenced activities in which children run, hop skip, jump, balance, crawl, climb, throw, catch, etc.

For the program to run successfully we need parent help to assist with each P.M.P activity. If you are available to help to help can you please fill out the form below and **return to your class teacher Monday 25th February.** A P.M.P parent helper roster will be sent home Wednesday the 27th of February

Regards,

Mr Rick Milsom
P.E and P.M.P
