## Year 1 P.M.P

The Perceptual Motor Program (P.M.P) is running weekly on Thursdays at 2:00-2:45 (1D and half of 1N) and 2:45-3:30 (1K and the other half of 1N).

P.M.P aims to give children experiences of seeing, hearing, touching, processing and making perceptual judgments through sequenced activities in which children run, hop skip, jump, balance, crawl, climb, throw, catch, etc.

For the program to run successfully we need parent help to assist with each P.M.P activity. If you are available to help can you please fill out the form below and **return to your class teacher by Monday 25<sup>th</sup> of February.** A P.M.P parent helper roster will be sent home.

Regards,

Mr Rick Milsom  
(P:E and P:M:P teacher)
