LEARNING ENRICHMENT AND EXTENSION PROGRAM

What is Vermont Secondary College’s LEEP?

LEEP is a select entry high achievers program designed to meet the needs of talented and gifted students. The rigorous and challenging academic program provides students with an opportunity to work with like-minded students in a supportive and encouraging environment.

LEEP is not an accelerated program; rather it allows students to progress with their school age peers in a rich ICT environment whilst undertaking a challenging curriculum that enriches and extends them in the disciplines of Mathematics, Science, Integrated Studies (English, History, Geography, Economics) and LOTE (2013 language offered to Year 7 LEEP students will be German).

Students will remain with their LEEP peers for three years from Year 7 to Year 9 and from Year 10 onwards they will be able to access a range of VCE/VET subjects, university subjects and a range of challenging electives but this will depend on the student’s continued high academic performance.

How do I register for LEEP at Vermont Secondary College?

We have altered the LEEP selection process for the class of 2013. There will not be an external selection process as for previous years. The 2013 Year 7 LEEP class will be selected from our total enrolled Year 7 cohort only.

That is, we will first select our 225 Year 7 students using the standard DEECD enrolment process (refer ‘Enrolment Application Process for 2012/13’), and will then select our LEEP class from this cohort using the Edutest data gathered on Saturday 8th September, 2012.

Families will be able to indicate interest in a LEEP placement for their child on the ‘LOTE, LEEP & House selection’ pro-forma, distributed to families this August when enrolments are confirmed. High ability students who have the appropriate academic skills and are assessed as suitable for LEEP selection will then be invited for an interview and if selected from this process will be offered a place in the 2013 LEEP class.

Who do I contact if I have any enquiries?

For all enquiries regarding Year 7 enrolment please contact the Registrar, Mrs Sherryn Davies on 9873 1077 or davies.sherryn.l@edumail.vic.gov.au

For all enquiries regarding LEEP please contact the LEEP Coordinator, Tarnya Greer on 9873 1077 or greert@vermontsc.vic.edu.au
