Curriculum Day

“I find it fascinating that a snowflake, by itself, can be so delicate; but when they team up, they can close down a whole city.”  Maraboli
This is a quote that was used last Friday at our Curriculum Day as a stimulus for our thinking. The focus for the day was on teamwork and considering how we can best work together to maximise the opportunities for our students.

Parent Opinion Survey
If you were one of our randomly selected families, who received a Parent Opinion Survey, please complete and return this ASAP. I can guarantee you that the survey is entirely anonymous. The data gathered from this survey is a very important step towards making our school the best it can possibly be. Thank you in anticipation of your support.

F-2 Presentation
Our much-awaited F-2 dance presentation is approaching quickly. We will be entertained on the 13th and 14th August. The children are really enjoying learning their dances and preparing to perform to our community.

A notice came home yesterday regarding seating at these presentations. If you have not yet notified us if and when you will be attending the performance please do so as soon as you can. We have had an overwhelming level of interest in this presentation and there are now limited opportunities available for parents and families to attend.

If you have notified us of when you wish to attend (1 or 2 nights), thank you, your seating is confirmed. Whilst this is not an allocated seating event we have worked to ensure there is the appropriate level of seating for interested families, and those who have notified us will need to sign in for the presentations. If you do not notify us that you wish to attend we cannot guarantee that there will be seating available.

Parents – please be aware that the students are expected to attend on both nights, as they are a vital part of the performance and the stars of the show!! Should you have any questions regarding this event, please don’t hesitate to ask.

Foundation Transition
Our Foundation Transition Program starts this Friday the 8th August. The sessions will be starting at 2:15pm and finishing at 3:15pm. Children can be signed in at the Foundation rooms and whilst the children are enjoying their ‘Books Are Fun’ session, parents will be involved in a ‘Welcome’ session in the Library.

Transition sessions are an incredibly important part of ensuring the children are ready for school. If you have not yet enrolled your child at Camelot for Foundation in 2015, and wish to do so, please do this quickly so that they can take part in the transition sessions.

Let’s Celebrate:
- Mitch Thomas and the efforts he and his baseball team whilst competing in Bendigo over the weekend.
- The senior production cast and teachers who are busy rehearsing over lunchtimes.

Staff Celebrations
We have two exciting celebrations amongst our staff:
- Mrs Sarah Martin and her husband Wayne are delighted to announce that they are expecting their first child in January. Lucky for us, Sarah will be able to finalise her year at Camelot before going on family leave.
- Mr Ben Heys and his partner Zoe are keenly awaiting the birth of their second child in January, a big brother or sister for Ava.

I know you will join me in wishing them all the best over the next few months. Congratulations to both families, what wonderful news!!

Principal

The Week in Reflection

Wow, it is hard to believe we are already approaching the halfway mark of Term 3. Last week our Level 4 Bike Ed. Program began, with many eager cyclists at school ready to learn! Our English ICAS test took place – well done to everyone who has participated thus far. The staff finished their week with another day working alongside David Anderson, from Hands on Consultancy. We spent the day discussing, reflecting and learning about teamwork. Have a look at the results of some of our group work! Teachers worked in teams in the afternoon to explore – “What kind of people do we want leaving CRPS after 7 years?”

ICAS

The final ICAS test for 2014 will be Maths, to be held next Tuesday, 12th August at 8:00am. The Level 3/4 students will be in the Level 6 portables to accommodate the Bike Ed. Program happening at the same time. The Level 5/6 students will begin at 8:00am in the Level 5 portables.

Book Fair

The book fair will begin in week 6. Information is as follows:

Dates: Monday 18th August, Tuesday 19th August, Friday 22nd August (week 6) Wednesday 27th August, Thursday 28th August (week 7)

Time: 3:30 – 4:00pm

Place: School Library

We hope to see you there! Everyone who purchases a book will receive one raffle ticket to go into the draw to win books! If you purchase 5 books, you will receive 5 raffle tickets. The raffle will be drawn at the assembly after the book fair (week 8, Monday 1st September). Brochures with more information will come home in the next week. Stay tuned for more information!

Weekly Challenges

Getting to know our School Councillors

Our second interview is brought to you by our JSC

An interview with a School Councillor

School Councillor: Craig Morton, Vice-President & B & G Committee Leader

1. What inspired you to get involved in school council?
   • I was recruited to School Council by friends with older kids whose time on Council was coming to an end.

2. What is your role in school council?
   • For the last 6 years I have led the Buildings and Grounds sub-committee. This year I am also the Vice-President.

3. What do you do for a living?
   • I am an IT Manager for Coles.

4. What are your hobbies?
   • I love being outdoors, camping in the bush and four wheel driving. I also love Scuba Diving and have had the privilege on several occasions to get up close and personal with various types of sharks, although in more recent years my busy life has prevented me from getting under water.

5. What do you hope to achieve through your involvement in school council?
   • I am passionate about the school and community and hope through my work on buildings and grounds and leading the working bees to make the school a better place for all.

6. If you had $5 left to spend on anything you liked, what would you spend it on?
   • I would buy a really good coffee. I love my coffee!!

7. If you could be an animal, what would you choose and why?
   • A Tiger because they are huge, scary but magnificent creatures.
Production News

Production Front Cover Competition

With the school production preparation well under way we would like to launch a competition for students to design the front cover of our program. The entry needs to be in black fine liner and on A4 portrait white paper. The production is an Amazing Race theme based on the school values. Students will visit the countries of America, Madagascar, Antarctica, China and England on their travels. They will be involved in activities to gain clues which together will form the final answer. We are looking for fun, artistic and creative ideas. Please hand your entry to your class teacher by Friday 15th August. Good luck and enjoy!

Junior School Council Dress Like a Book Character Day

On Friday 22nd August the Junior School council are running a book character fundraising day. We are going to donate all money to the MS society.

Multiple sclerosis (MS) is a disease of the central nervous system that disrupts the flow of information within the brain, and between the brain and body. The MS society helps support people with this disease. We want to support this cause because many people at our school know someone who has MS.

We ask all students to dress up as a favourite character from a book and bring a gold coin donation to support MS.

Noumea Study Tour 2015 Reminder!!!

A reminder to parents that the due date for expressions of interest for this exciting tour is Wednesday, 6th August. If you have any questions about the tour or would like more information, please speak to Mrs George or Mrs Arney.

Thank you
Nude Food Tuesdays and Thursdays

‘Nude Food’ Lunches

Every Tuesday and Thursday during Term 3, students will be encouraged to pack ‘nude food’ lunches. Nude Food is an environmentally sustainable program run each term with the message of ‘making healthy eating choices’ and reducing the human impact on the environment.

Nude food lunches are free from any packaging that can’t be reused or recycled (e.g. cling-wrap, foil wrap and small plastic bags, including chip packets and biscuit packets). Sandwiches, crackers, fresh fruit, dried fruit and raw vegetables can be packed in small Tupperware containers. Yoghurt containers are okay, as long as they can be rinsed and recycled.

Every Tuesday and Thursday the number of pieces of rubbish collected from each class will be counted. The class with the least amount of waste overall will be awarded a trophy at the last Assembly in Term 3.

Let’s all take on the challenge to reduce our production of non-recyclable rubbish! Good luck everyone!

Kind regards,

Tamara Leitch and Natalie Slobodzian

Uniform Shop News

Labelling your things"

There is always a large number of school clothes in the lost property bin each day as belongings have not been clearly labelled. (even though it is still Winter it seems Summer is particularly worse) Please ensure you label all items that can be easily removed eg. hats, jumpers, jackets.
During the school swimming programs ensure all items are labelled. When a name is clearly on the item of clothing, you are more likely to have this clothing item returned. Order forms for the labels are available at the Uniform Shop and Office.

How to Launder Your School Uniforms

Use a warm/cold hand or gentle machine wash. Spot bleaching may occur if the uniforms are exposed to undiluted detergents.

- Warm or cold rinse them and DO NOT bleach or soak
- Drip dry only. DO NOT tumble dry. They are dry cleanable.
- Hang on the line outside, but preferably do not expose uniforms to direct sunlight.
- Ironing is really not necessary, however should you choose to, use a warm iron only.
- Hot iron settings can be responsible for pilling, shrinkage and colour loss.

Dear Parents and Families,

Family motivation in reading activities can have a strong, positive impact on a child’s educational achievement. Our Book Fair will enable a hands-on experience where children can discover a love of books and ignite a life-long passion for reading.

The exciting theme for 2014 is Book Fair Garden: Catch the Reading Bug! Our Book Fair will be like a stroll through a world of bugs and flowers, overflowing with exciting books children will really want to dig into.

Students will get the opportunity to preview the book fair during the week before it begins, and jot down on their wish list any books they are interested in purchasing.

The Scholastic Book Fair will be at our school for the fortnight of Book Week Literacy & Numeracy Week – Monday 18th August through to Friday 29th August.

More information will follow, closer to the event. If you can help in any way, a volunteer note will be coming home – please let us know!

We hope to see you there!

Before School / After School Care Program

Program Update

Dear Parents,

Staffing
Sean is away for the next three weeks on placement and we will have Pooja to replace him at ASC. Pooja works at BSC on Tuesdays also.

What's on at OSHClub
We have been very busy at OSHClub with children all getting active and involved. We took advantage of the nice afternoons and children were involved in ball games on the basketball court and free play on the playground.

AASC
We had our first lesson with Coach May, for AASC Karate where all children learned the basic moves. We look forward to the rest of the term. Due to the Pupil Free day we begin our AASC dance sessions with Coach Zoe on Friday.

Amrita and Anjana sorting the resource room
Lewis in the Minecraft game
Sienna showing off her skills on the playground.
