Let’s celebrate some of the amazing artwork completed by our students during Term 1:
What the students will be doing in Art this term:

**Foundation**
will be learning about warm and cool colours and how to use these effectively in their artwork featuring seasons and dinosaurs.

**Level 1 & 2’s:**
will be looking at reflections, shadows and silhouettes in Art, and using tone (light and dark shades).

**Level 3 & 4’s:**
will be experimenting with lines, patterns and textures to make interesting effects in their work. They will create with beads, sequins and wire, as well as designing Oceanology dioramas.

**Level 5 & 6’s:**
will be undertaking a pottery unit. They will also be studying some of the Great Masters of Art and will create their own work by interpreting famous paintings.
