## Principal's Report

### **Annual General Meeting (AGM)**

School councils are governed by the Education and Training Reform Act 2006 and the Education and Training Reform Regulations 2017.

In line with governance requirements School council's AGM - the public reporting meeting – will be held on Thursday, 26th March at 7:00pm.

We encourage any members of the Camelot Rise Primary School community to attend this presentation which will be held at 7.00pm in the Conference Room. Our Annual Report is a real highlight as it provides great data about how well we are progressing as a school.

The annual report provides a means for the school council to inform the community of what has been achieved and how the school is performing. Providing information about schools helps the community hold schools, the system and government accountable for improving student outcomes.

An electronic version of the Annual Report will be placed on the website after it has been endorsed by School Council and Department of Education and Training.

Our School Council meeting will follow the Annual General Meeting at 7:30pm.

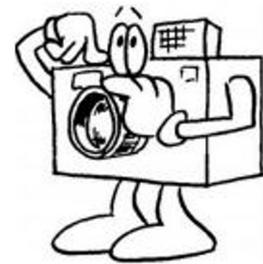

Sub Committee meetings will be held at 6.30pm. These include Finance & Building and Grounds.

### **School photographs**

Our school photographs will be taken tomorrow, Wednesday, 18th March.

The date for our school photographs is always booked in the previous year. When selecting the dates for photos we ideally try to select a date as early in Term One as possible.

We do understand that some families are electing to keep their children at home due to the COVID – 19, however, that is a parent based decision and we will continue to have our school photographs taken on Wednesday, 18th March.

### **Free Sanitary Products**

The government is committed to providing free pads and tampons in all government primary, secondary and specialist schools via a dispenser. We have been informed that we will be receiving one of these dispensers in their near future. The aim of this initiative is to-

- Provide students with the confidence that there will always be sanitary items available at school
- Relieve female students of the stigma, anxiety and discomfort that can be associated with menstruation and its management so they can focus on their studies
- Ease the cost of living for families.

Sanitary items are a necessity, not a luxury, and this initiative will support tens of thousands of girls and young women in schools across the state.

## Clifton Creek Primary School Fundraiser

It is with great pride that the Camelot Rise Primary School community contributed with a number of other schools to raise \$14,677.20 for Clifton Creek Primary School.

We received a wonderful email from Sue Paul, Principal @ Clifton Creek Primary School informing her of how much money was raised by our cluster of schools. Her email is below:

'This is truly amazing! A massive thank you to all of the schools involved. We will probably use these funds to replace student laptops. . Thank you once again - it is fantastic.'

Kind Regards,

Sue Paul | Principal | Clifton Creek Primary School

It is great to see the collegiate spirit amongst many school communities helping out our colleagues in need!

## End of term - Timetable for the last day of Term One, Friday, 27th March

Friday, 27th March is the last day of term and the timetable for the day will be slightly different.

The Camp Australia, Out of School Hours Care (OSHC) program commences at 2.30pm on the last day of term.

## Happy holidays

On behalf of all the staff we would like to wish all students and families a wonderful holiday. It has been a great Term One at Camelot Rise Primary School and we look forward to this continuing in Term Two.

We welcome the community using our facilities during the holiday break as it is great seeing children and families being active and playing outdoors, however, if you see anyone acting suspiciously or inappropriately around the school grounds please contact the Glen Waverley Police Station 9566 1555 or contact 000.

We look forward to seeing you all back at school on Tuesday, 14th April.

**How can we continue to improve Camelot Rise Primary School?**

At all times staff are working to improve the education we provide for the students of Camelot Rise Primary School. We enjoy hearing from members of the school community in relation to what we can do to improve our wonderful school. Helen and I are always available to speak to parents in relation to any feedback you can provide us that will ultimately benefit the students at Camelot Rise Primary School. Please feel free to drop in at any time or contact us to arrange a suitable meeting time.

Please come and see us for a chat!

## Parenting Resources

I would just like to highlight some fabulous parenting resources with a range of topics to assist you to support your child/children. <https://www.parentingideas.com.au/blog-category/anxiety#post-list>

Michael Grose, founder of Parenting Ideas, is one of Australia's leading parenting educators. He's an award-winning speaker and the author of 12 books for parents including Spoonfed Generation, and the bestselling Why First Borns Rule the World and Last Borns Want to Change It. Michael is a former teacher with 15 years experience, and has 30 years experience in parenting education. He also holds a Master of Educational Studies from Monash University specialising in parenting education.

Headspace is another organisation with a great website and free access to some great resources. ### What is mindfulness?

You may have heard that mindfulness — the ability to be fully present in the moment — can have numerous benefits, everything from decreased stress and sadness to increased levels focus and happiness, according to general mindfulness research. But what exactly is mindfulness? And, how can you recognize it and reap its many benefits? Mindfulness meditation practice is one way to truly experience the current moment and integrate that awareness into your everyday life. Here's everything you need to know to get started.

Try for free on the headspace site. Particularly important during some uncertain times across Australia and the world. If you have any concerns in relation to your child please speak to their class teacher or myself.

## Visual Arts Spotlight

What a busy term we have had so far in the Art Studio! There has been a lot of excitement preparing for our recent Toonworld incursion with groups preparing their storyboards and allocating roles for each member. We had some students select to be directors, camera woman/men, animators or to be in charge of vocal effects for their group's clip. Every class laughed, moulded characters and used digital technology to create a short Claymation clip. Here are some photos from our visual arts incursion.

### **CLAYMATION**

### DREAM CAR COMPETITION

We had 44 students enter the 'Toyota Dream Car' competition. I have challenged students to design cars of the future that will make a positive difference in our world. Please visit the multi purpose room to view copies of these designs. I have been super impressed with the 'thinking out of the box' designs and wish all entrants good luck! In my eyes they are all winners and I thank them for having a go.

## Level 6 Otways Camp

Students recap their amazing adventures.....

When I found out that we were going bike riding, I got really scared. I hadn't gotten on a bike since 'Bike Ed'! When we were testing out the bikes and deciding which one would fit us best, that's when I started to feel butterflies whirling in my stomach. So I began, trying my best to believe that I could do it, but no. I feel off, about 2 seconds in. 'I still have 10km to go-how am I supposed to finish this thing?!' I thought to myself. I stayed behind the group because I wasn't very confident in riding. I practiced going short distances but still wasn't succeeding. I had the choice of walking the rest of the way, or cycling. I didn't know what to choose. I wanted to walk because then I wouldn't have to face the troubles of riding. But part of me said to go cycling, so I did (and I'm not mad that I chose that!). At the start, it was difficult for me. I lost my balance a lot, and kept falling over. As the ride went on, I eventually got a little bit better. Although there was a time when I crashed into a pole and took a 5 to 10 minute break. Then, Mrs Newstead and Natalie caught up and I decided to start walking back with them. Everyone else was at the beach but that was fine with me. Every now and then, I hopped on my bike and started riding a few metres. I was really proud of myself for getting pretty far, maybe not as far as everyone else but still. Natalie, Mrs Newstead and myself made it back before the others. In my mind, I was telling myself how proud I was. I didn't think I would go so far, and that's what made me even happier.

...I dragged my surf board into the water, it felt like 1000 Tons! I flopped onto my surfboard thinking all would be okay, until a HUGE wave suddenly came across me! I tried to remember how to surf ...paddle, paddle, and then you stand! But it was never that simple for me. I assumed that the wave would fade away and get smaller, but to my shock, it didn't!!!! \*Gasp!\* Realisation hits me like jab in the stomach, but there is no turning back now. Unfortunately for me, I was not skilled enough to tackle the wave, and as a result, I slam into the salty sea water, and the pain is excruciating.

The water plunges me down, and I think I am unconscious because all I can see is darkness. It is only until I realise that I am alive and well, just under a surfboard somebody is standing on. Struggling for air, it feels like my lungs are about to burst! Then suddenly, I shoot above the sea and gasp in air. I was so lucky the fins of the board didn't kill me to begin with! ...

Michelle

The wet sand squelches against my dry feet as I waddle onto the beach. I put my mask and breathing tube on and kneel down and crawl into the water cold, clear water. Brrrr, the cold water tip toes up my legs, my back and my neck. I place the breathing tube in my mouth and slowly put my head in, the cold water pricks my face, I can't breathe, I panic, I'm breathing too fast. I rise back to the surface and take a deep breath of fresh. I put my breathing tube back in and head back under, I panic again. "No!" I tell myself "just breathe slowly," I continue saying to myself, I slow down and stop panicking. It worked! I can finally snorkel and see the beauty of nature's under water life first hand.

Bethany

"Come on, just a kilometre of walking until we reach the campsite," Tyla tells the group. 'Phew' I think to myself. Droplets of water run down my strawberry-red face. I force myself to keep pushing, although my feet fight hard to find freedom. We keep walking through the gravelled sand, hoping that the campsite would be right around the corner...

"We're almost there," Tyla tells us. I wait patiently as I knew I would be back at the campsite having a delicious barbeque and having the most glorious time I will have ever had. I lose my patience. I rush to the front of the pack. I turn the corner and... my heart sinks. The pit of my stomach drops. My body stumbles over as I see the entrance to the lighthouse. Not again!

Ravi

Near the end of the hike I decided to ask our teacher Mr Heys what food he hated to eat. When he said pineapples he should have wished he didn't say anything. After asking I

immediately started the 105 course pineapple dinner full of food he detested.

Jenny

The salty air breeze flowing across my face. The sparkly crystal blue water smashing against the sandy ground.

Sunshine shines down on us as we stand on our foam ovals. The instructors teaching us how to stand up and not drown! Finally on the ocean laughing and having fun. For one minute we felt as if the world was nothing. No coronavirus. No fires. It was only fun.

Jesse

Again I was paddling ready for the wave. It pulled me up taking me and my board to the sand. The board lost its balance on the wave pulling me under. I tightly squeezed my eyes shut coming out of the water. I wiped the salty sea water out of my eyes. Heaving my surf board back to my arm, I turned around ready for another wave.

Matilda

We all hustled down the track, admiring at the nature. Seagulls were circling the air but it was quiet other than the chattering of the group marching one by one. Long walks turned into short breaks. Everyone shuffled tiredly with sweat dripping down on faces. I was playing party games which took my mind of the dirt constantly getting kicked in the air.

Michael

Say Cheese! Snap! I was in the 'slow group' or what we called the whale's tail. The reason why there was a snap was not because something fractured but because I was taking pictures, as that was what you did when you were given the honourable role of Media and IT.

Arsene

## Eastern Metropolitan Region Swimming Carnival

## Camelot Rise Community Association Meeting

The next Camelot Rise Community Association Meeting will be held in the school's Conference Room (off the library) between 3:00pm and 3:30pm on Thursday 19th March. Looking forward to seeing you there.

## School Photos 2020

Camelot Rise Primary School School Photos will be held on Wednesday 18th March 2020 from 9.00am

Previously students have bought home information on how to order. In addition Online Sibling Ordering will be open until midnight tonight (day before photo-day). This is as late as possible to enable as many parents access to online ordering.

A complete online report of all families that have purchased a sibling package will be automatically emailed to the school email (only) on the morning of photo day (before 9am).

Students may also return a sibling order envelope (available at the school office). Students whom have ordered Online will not need to return an envelope.

Please note that we do not photograph every family within the school.

Sibling photographs are by request- that is, only families that have placed an order online or via an order envelope by day of photography, will have a photograph taken.

## Twilight Sports and BBQ

As you are aware Twilight Sports and BBQ has been cancelled tonight. Thank you to staff and the community who offered to assist. Looking forward to future events.

## Scholastics Book Club

Scholastic aims to give every child access to quality books and learning materials, and create literacy-rich homes, schools and communities throughout Australia.

To help achieve this goal, Scholastic Rewards were created as a form of currency as a way to give back to schools.

Every time you participate in a Scholastic offering, your School is being rewarded!

For example, for every Book Club order that you place, Scholastic gives back 20% of your total order spend to your school as Scholastic Rewards.

Scholastic gives away millions of dollars in Scholastic Rewards each year, helping to stretch countless school and classroom budgets further.

In doing so, educators have access to an extensive range of resources and cross-curriculum products to help their students reach their highest potential.

Thank you to all the wonderful parent helpers who have already volunteered to assist in the school **Canteen** on a regular basis!

We are still on the hunt for additional helpers on Monday, Wednesday and Friday. Even if you can assist every fortnight, it would be helpful. Canteen is open during lunch time from 12.50pm to 1.50pm.

All you need is a valid Working with Children Check which is free and can be obtained from <https://www.workingwithchildren.vic.gov.au/>

Please contact [apana](mailto:apana@camerose.edu.au) on 0419940331 if you are able to assist or if you have any further queries.

Without your help we would not be able to provide this service for our students.

**DEAR PARENT**

NumberWorks'nWords can help your child reach greater heights with our expert after-school Maths and English tuition.

From Prep to Year 10, no matter whether they're struggling to keep up, or bursting to race ahead, NumberWorks'nWords promises to give your child's education – and confidence – a real boost.

Over the past 30 years, NumberWorks'nWords has achieved amazing results with thousands of children just like yours, by:

- tailoring lessons according to your child's individual needs
- setting achievable goals and keeping you updated on your child's progress
- engaging your child with technology and resources developed by our own qualified experts
- using specialist, trained tutors who teach to the Australian Curriculum.

Right now NumberWorks'nWords is offering **FREE ASSESSMENTS** in Maths and English. These assessments provide a great opportunity for you to discover how your child is doing, collaborate on a plan to help them achieve their potential, and to see for yourself how effective – and enjoyable – NumberWorks'nWords specialist Maths tuition and English tuition really is.

WITH OUR EXPERT TUITION, YOUR CHILDREN CAN REACH EVEN GREATER HEIGHTS.

Call today to book your free assessment, or to discuss any concerns you may have about your child's progress.
