Please read Compass feeds posted by Cam Stillman for additional information about this event.

Child Safe Standards Policy

The Camelot Rise Primary School 'Child Safe' policy describes the decision-making processes we use to support the care, safety and wellbeing of each student. These must reflect the Child Safe Standards, established through Ministerial Order 870.

The policy is available for parents to access through our school website.

At Camelot Rise Primary School, we have a zero tolerance of child abuse. Our policy applies to all members of the Camelot Rise Primary School community and is inclusive of all school related activities, processes, and procedures.

Every adult involved in Camelot Rise Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of every decision we make.

I encourage all community members to read the policy to ensure knowledge of these requirements.

Harmony Week

This week is Harmony Week, and this is a great opportunity to celebrate Australia's cultural diversity.

Many of the classes have been doing activities during their wellbeing sessions based around this theme.

NAPLAN Online in 2022

This year all schools will complete their NAPLAN assessments online. Thanks to Ben Heys, Simon Judkins, Chris Young, Linda Bett and John Kovas (ICT Tech) who have put in an enormous amount of work to ensure that all students at Camelot Rise PS will have access to suitable devices and all connections are working perfectly.

Federal, state and territory education ministers agreed that all schools will gradually transition from the current paper-based tests to the computer-based assessments, with the aim for all schools to undertake NAPLAN online by 2022.

NAPLAN Online provides a better assessment, more precise results and is more engaging for students. The assessments can run through a real-time internet connection or onscreen without an internet connection. Watch the short clip: Understanding NAPLAN Online (2 min 11s).

NAPLAN Online is a tailored test that adapts to student responses, presenting students with questions that may be more or less difficult – resulting in better assessment and more precise results. Watch the Tailored testing video (3 min 6s).

Significant planning, development, research, and trialling have been carried out to make sure we are all ready to move NAPLAN online. In its first year of transition in 2018, just over 15 per cent of schools participated in NAPLAN Online. In 2019, the number rose to over 50%. Feedback about the online test has been positive, with students saying they find the format engaging.

State/territory education authorities make decisions about the logistics and timing to move NAPLAN online for their state/territory. These organisations also lead implementation of NAPLAN Online in their state/territory.

Playgroup at Camelot Rise

Over the last two years we have been trying to launch our 3 & 4 Year-Old Playgroup. This has proved very difficult due to extended periods of lockdown and remote learning. Fortunately, we have been able to start this program this year and it is going from strength to strength.

Jo Hewett (Education Support Office) has done an amazing planning, designing, and developing our playgroup.

What started originally with 2 families has now grown to over 16 families regularly attending each week and we know this number will grow over time. This is a great result!

The purpose of this playgroup is to provide a venue for families to come with their children to develop community links, social interaction with other children and potentially increase student numbers at Camelot Rise PS.

We are thrilled with the work Jo is doing in this area!

Please come along with your 3 / 4-year-old every Wednesday between 9:30 – 10:30am.

Congratulations Jo!

NAPLAN – information for parents and carers

NAPLAN
NATIONAL ASSESSMENT PROGRAM
Literacy and Numeracy

- NAPLAN is the name of some literacy and numeracy tests completed by students in Australia.
- All students do NAPLAN tests when they are in Year 3, 5, 7 and 9.
- Students are tested in English about their knowledge in reading, writing and maths.
- The test questions are presented in Standard Australian English dialect.
- Some of the questions are written and some of the questions are spoken.
- The tests will get easier or harder, depending on how students are going.
- Students do four different tests during two weeks in May each year.

The names of the four tests are:

- Students in Year 3 will do the Writing test using pencil and paper. Year 3 students will answer the other test questions on the computer.
- Students in Years 5, 7 and 9 will answer all their test questions on computers.
- Teachers will help students get ready for NAPLAN tests.
- After getting the results back in Term 3, schools will give parents and carers a report showing how their child did.
- Parents and carers can talk to the teacher about these results.
- The information from the NAPLAN tests is used by people working in the Australian Government, your state or territory education authority and the school to find out how students are going all over Australia. It lets them see which schools are doing well and which schools might need help.

Talk to the teacher if you are worried about your child being able to do the tests.

Parking around the school

Parking is available along King Arthur Drive, Galahad Crescent and Avalon Avenue. Monash City Council Parking Inspectors regularly monitor the parking situation in Galahad Crescent. As the safety of all our students is our prime concern, we are pleased that the Council has taken this initiative to ensure that the parking restrictions are observed. When vehicles are stopped or parked too close to the crossing, the visibility of drivers approaching the school

crossing is impaired and this places our students at risk. We ask parent's co-operation in keeping this area clear at all times.

Please remember that to maximise the safety of all our students (and community) it is important to observe and follow all guidelines in place at all times:

- There is a 2-minute drop-off zone in place, which means 2 minutes maximum. Vehicles are not to be left unattended.
- There is a Permit Only Zone in front of the staff carpark. Please do not park here unless you have a permit.
- Abide by all road rules
- Use the crossings provided (manned or not) to cross the road
- Ensure children exit the car on the footpath side
- Encourage your children to stand on the footpath not on the road when leaving the car
- Be patient and respectful of other motorists

playgroup@CamelotRise

Playgroup is back on Wednesdays.

If you would like to join in the fun please contact us via the playgroup email address playgroup@camelotrise.vic.edu.au or for further information please call 98035344.

Playgroup is held in the Tydeman Arts Centre starting at 9.15am until 10.30am.

This is a fantastic opportunity for our school and local community to experience an informal play group session within the school grounds and provide the opportunity to develop social interactions for parents and children alike. We can all learn and grow together through play.

Scholastics Book Club

Scholastic aims to give every child access to quality books and learning materials, and create literacy-rich homes, schools and communities throughout Australia.

To help achieve this goal, Scholastic Rewards were created as a form of currency as a way to give back to schools.

Every time you participate in a Scholastic offering, your School is being rewarded!

For example, for every Book Club order that you place, Scholastic gives back 20% of your total order spend to your school as Scholastic Rewards.

Scholastic gives away millions of dollars in Scholastic Rewards each year, helping to stretch countless school and classroom budgets further.

In doing so, educators have access to an extensive range of resources and cross-curriculum products to help their students reach their highest potential.

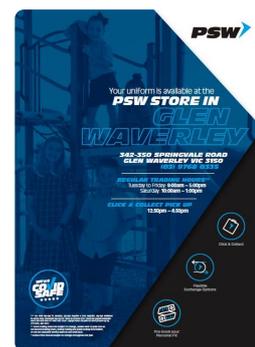

Primary School Wear (PSW)

Wearing school uniform fosters pride in our school, encourages children to identify with the school and feel a sense of belonging. It also assists with supervision and safety on visits out of the school, and unifies students from varying social and cultural backgrounds.

Primary School Wear (PSW) is our school uniform.

PSW is located at 342-350 Springvale Rd Glen Waverley 3150

Description and educative purpose

The Year 1/2 students will celebrate our focus on push and pull forces through this hands-on toy incursion. Students will experience and understand push, pull, gravity and rotational inertia being lead by our visiting educators from Labcoat Learning. Each class will participate in a 50 minute session, drawing together our focus in STEM and Inquiry throughout Term 2.

How to Reset Compass Password

If you require assistance with logging into Compass, you may have tried your password more than 3 times and Compass will lock you out of the system as a security measure. Please wait approximately 30 minutes and try again.

If you are still not able to remember the correct password and are needing your password reset, you can do this via the Compass login screen.

By clicking this option you will be stepped through a series of questions including a request to enter your current email or mobile phone number. Compass will use the information to forward the reset details so you must be able to access your email / mobile phone. ***Please note***, Compass will use the existing primary email or mobile on file for that user account for verification before completing a password reset for the user. If the mobile or email that they enter does not match what is on file they will not be able to proceed. For instances where it is Parent B of an account attempting to reset the password, the system will require Parent A's email/mobile as these details are considered the primary details for the household account.

If, after waiting 30 minutes and following the 'Can't access your account' instructions, please call or email the school office and we will attempt to assist you.
