## Welcome to 2023

We would like to welcome you to the start of the 2023 school year.

We are just thrilled with how well all the students have returned to school. The transition to primary school for our Foundation students has been outstanding.

Thank you to all the dedicated staff that spent many days at school over the holidays preparing their resources and classrooms for that start of the school year. We are most fortunate to have such dedicated, professional staff who work collaboratively to ensure the best learning environment for our students.

On behalf of the staff, I would like to welcome all our new families to Camelot Rise Primary School, and we trust that you will enjoy working with us to provide your child with the best possible education.

## Productive Partnerships

Camelot Rise Primary School staff are looking forward to a productive partnership with you to ensure all children can achieve their highest potential. We recognise that in order to be successful in school, our children need support from both the home and school, knowing that a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our students' success. We want you to know that we will do our very best to carry out our responsibilities, and we ask that you guide and support your child's learning by ensuring:

- Attendance at school daily and arrival on time, ready for the day's learning experience
- Supporting the school values
- Daily reading to develop a love for literature and to improve critical language skills
- Sharing school experiences with you so that you are aware of your child's school life

Working and 'learning together' we can achieve great results.

## Curriculum and Teacher Professional Practice Days

### **2023 Curriculum Days**

- **Tuesday, 14th March** (Term One) Teacher Professional Learning - Writing
- **Friday, 18th August** (Term Three) Teacher Professional Learning – Professional Learning communities
- **Monday, 6th November** (Term Four) Teacher Professional Learning - Assessment and Reporting Day

### **2023 Teacher Professional Practice days**

- **Wednesday – 31st May** (Term Two) Teacher Professional Learning - Teacher Moderation and Report Writing Day
- **Thursday, 30th November** (Term Four) Teacher Professional Learning - Professional Learning Communities

All of the dates listed above are Student Free days at Camelot Rise Primary School. We will advise the community if Camp Australia will be able to provide a service on these days. Reminders of these dates will be sent out throughout the year.

## Information Nights

Our Parent Information Nights will be held this week. We look forward to seeing as many parents as possible attend these events.

### **Tuesday, 7th February (Tonight!)**

Foundation 5.00pm – 6.00pm

Year 5 /6 at 6.00pm – 7.00pm

### **Wednesday, 8th February**

Year 1 /2 at 5.00pm – 6.00pm

Year 3 /4 at 6.00pm – 7.00pm

The powerpoint presentations that will be used by the staff on the night will be sent home to families using Compass and displayed on our school website for future reference.

## Parent Teacher Interviews

'Getting to know you interviews' will be held on **Thursday, 16th February**. Information about how to make a booking will be sent via Compass. You will select a time via our Compass platform. These meetings will be held either in person or remotely over WebEx.

The purpose of these interviews is twofold. Parents and guardians are encouraged to attend to:

- Meet their child's teacher to begin an effective home/school partnership.
- Provide information to teachers regarding their child's strengths, talents, issues or concerns.

Information shared by parents to teachers will assist us to plan for and work as effectively as possible with you and your child throughout the year.

## 'We are Learning Boards'

Each term our teachers carefully plan what the students will be learning in all curriculum areas for the upcoming term. This is based on the Victorian Curriculum. The Victorian Curriculum F–10 sets out what every student should learn during their first eleven years of schooling. The curriculum is the common set of knowledge and skills required by students for life-long learning, social development and active and informed citizenship.

The Victorian Curriculum F–10 incorporates the Australian Curriculum and reflects Victorian priorities and standards.

Our staff carefully plan the content of what is taught based on the learning needs of the students, prior knowledge and student interests. The planning documents our teachers produce will now form part of our **“We are Learning”** board that is displayed in the foyer of our school.

We invite parents to look at our 'We are Learning' board; it clearly articulates exactly what is being taught in all classrooms and specialist classes this term. As a parent it is invaluable to

know what is taught at school so you can assist and support your child/children at home. This information will be updated each term. Thanks to all the teachers for the amazing amount of work they have put into this display!

We encourage all parents to look at this board and see what exciting learning adventures your child has to look forward to this term.

All of these 'We are Learning' documents will be sent out to all families via Compass by the end of Week Two each term.

## Welcome to our new Foundation (Prep) students

We are thrilled with the way our 2023 Foundation (Prep) students have settled into schooling life. It was a pleasure to see so many smiling faces. I would like to thank Miss Lonsdale, Miss Neary and Miss Jacobs who have created wonderfully attractive classrooms for these students and the look of excitement on their faces was priceless.

## School Council Elections

Last week information regarding the 2023 School Council election process was sent to families via Compass. I would encourage any interested parent to contact me for more information. School council is an extremely vital part of the school, and it is from council that we take our direction. Please look out for this if you think you may be interested in nominating or being nominated for 2023. Information includes a timeline and summary of the role of School Council.

## Student Leadership badge presentations

Our Student Leadership Badge Presentation will be held on Friday February 17th at 2.45pm as part of our school assembly.

Mr John Mullahy (MP – Member for Glen Waverley) will be at this assembly to present the badges to our student leaders and talk to all students about leadership. We would like to thank Mr Mullahy for attending this very special assembly.

At this assembly we will be presenting badges to the elected students in these categories:

- School Captains
- Vice Captains
- Sport Captains
- Visual Arts Captains
- Performing Arts Captains
- French Captains
- STEM Captains
- Environment Captains
- Resource Captains
- Wellbeing Captains
- House Captains (Avalon, Galahad, King Arthur & Chivalry)

We hope to see as many parents as possible attend this assembly.

## 2023 Parent Payments Reminder

Parent payments are an essential source of funds for a school to operate effectively. Without student fees schools would not be able to provide the many programs and resources we provide for the students at Camelot Rise Primary School. We would like to thank the parents that have already made these payments.

## Working with Children Checks (WWC)

We encourage and value parental and community support at Camelot Rise Primary School. There are many ways that parents, grandparents and friends can assist at our school. We encourage all parents to obtain a Working with Children's Check that will allow you to be involved in your child's education. These checks are free for volunteers. Once you have your WWC please come to the office so we can photocopy this, and we will add your name to our list of parents who have a current WWC check.

## Accident Insurance

The Department of Education and Training (DET) does not provide personal accident insurance for students. Parents are generally responsible for paying the cost of medical treatment for injured students, including any transport costs. Ambulance cover could be one consideration as the school will not hesitate to call an ambulance if we are concerned for a child's health or wellbeing.

The Department of Education and Training (DET) states that reasonable low-cost accident insurance policies are available from the commercial insurance sector. For those parents who seek personal cover, details of an insurer who offers individual accident insurance is:

**EBM INSURANCE BROKERS** and the link is <https://www.ebminsurace.com.au/personal-cover/student-cover.php>

## Personal goods brought to school at owner's risk

The Department of Education and Training (DET) does not hold insurance for personal property brought to schools. Principals are requested to remind students and parents/guardians of this at the beginning of each academic year and to discourage parents/students from bringing any unnecessary or particularly valuable items to school. Please, try and avoid bringing these items as it can be most upsetting for all concerned when items do go missing.

## Annual Privacy reminder

Our school collects, uses, discloses and stores student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' Privacy Policy](#).

Please take time to remind yourself of our school's collection notice, found on our website [Camelot Rise Primary | Glen Waverley | Home](#)

For more information about privacy, refer to: [Schools' Privacy Policy — information for parents](#). This information is also available in ten community languages:

- \* Amharic

## Our Physical Education/Sports Uniform

As part of a school uniform the Year 4, 5 & 6 students will have the opportunity to purchase and wear a sports uniform. This sports uniform is an optional item.

Historically our students have worn their 'normal school uniform' on Sports Days, however, now students can wear their sports uniform when representing the school and participating in Physical Education classes.

These items are currently available in the PSW shop.

These are optional additions to the school uniform.

These uniforms can be worn by Year 4, 5 & 6 students on the following days:

- Physical Education classes
- Sporting events
- Interschool Sports
- House Sport events

We are very excited at the prospect of these sports uniforms as we will look fantastic and further develop a sense of pride in the school.

## Literacy Parental Engagement and Activities

We have listed below a useful Department of Education website that provides parents with many activities that parents, and children can participate in to help inspire and boost their Literacy & Numeracy skills.

[https://www.education.vic.gov.au/Documents/school/teachers/teachingresources/discipline/english/literacy/LiteracyandNumeracyTipstoHelpYourChild\\_Final.pdf](https://www.education.vic.gov.au/Documents/school/teachers/teachingresources/discipline/english/literacy/LiteracyandNumeracyTipstoHelpYourChild_Final.pdf)

## Help with school costs

Families are encouraged to contact Ben, myself or the school office if you are having difficulty with school costs. Programs like Affordable School Uniforms and the Camps, Sports and Excursions Fund (CSEF) can help with the cost of school uniforms and other essential school items as well as school activities for eligible students.

For more information for parents, refer to [Help with school costs and fees](#).

## Heat Policy

The school operates a heat policy and we keep the children indoors in air conditioned classrooms on very hot days where the temperature exceeds 35 degrees. We have also been asked to remind our parent community about the dangers of leaving children in cars on very hot days.

## Home-school communication

Ben Heys (Assistant Principal) and I are always open and available to meet with parents and our community. Our number one priority is the engagement, wellbeing and care of all students at Camelot Rise Primary School, and we are always happy to hear feedback on the improvements we are making and what we can do to better assist our students. Ben and I are always available to speak to parents in relation to any feedback you can provide us that will ultimately benefit the students at Camelot Rise Primary School. Please feel free to drop in at any time or contact us to arrange a suitable meeting time.

Please come and see us for a chat!

# playgroup@CamelotRise

Playgroup at CRPS is on a Wednesday morning.

If you would like to join in the fun please contact us

via the playgroup email address

[playgroup@camelotrise.vic.edu.au](mailto:playgroup@camelotrise.vic.edu.au) or for further

information please call 98035344.

Playgroup is held in the Tydeman Arts Centre starting at 9.15am until 10.30am.

This is a fantastic opportunity for our school and local community to experience an informal play group session within the school grounds and provide the opportunity to develop social interactions for parents and children alike. We can all learn and grow together through play.

# OHSC News

**Your Outside School Hours Care at School Name Primary School**

Join in the fun at Camelot Rise Primary School's Outside School Hours Care!

At our OHSC we give children a supportive space to continue their development, build confidence and socialise with their friends. In our care, children could be participating in exciting opportunities, active play, creative expression and more.

Our morning and evening developmental programs ensure that your child has the best school holidays. We give them a chance to play, compete in a sport, learn, cooking up a storm, experimenting with science and getting hands-on with construction.

**Visits Welcome**

Please feel free to stop by the program with your children to meet the team and see what happens in our great program each school day.

**Your OHSC**

Take care of your future. Take care of your children's future.

**ROCKETEERS**

To attend our OHSC or Rocketeers, you first need to register your child and book. We recommend families to register so that if you have multiple children, you have all the information that you need.

**Registration is free**

To register and book, visit us at [www.camelotrise.vic.edu.au](http://www.camelotrise.vic.edu.au) and use the school links or our homepage to access the OHSC, OHSC or Rocketeers.

# Canteen

The Canteen is now open for window sales

Thank you to Apana and her team of volunteers who will open the canteen at lunchtime for window sales on Wednesday and Friday.

We are looking for more volunteers to assist on Wednesday and Friday in the canteen. If you have a WWC and would like to help out between 1:00pm and 2:45pm on either day please contact the school office or complete this google form <https://forms.gle/6aypZcUtwpBHwGDC8>

We appreciate your assistance.

## Parking around the school

Parking is available along King Arthur Drive, Galahad Crescent and Avalon Avenue. Monash City Council Parking Inspectors regularly monitor the parking situation in Galahad Crescent.

As the safety of all our students is our prime concern, we are pleased that the Council has taken this initiative to ensure that the parking restrictions are observed. When vehicles are stopped or parked too close to the crossing, the visibility of drivers approaching the school crossing is impaired and this places our students at risk. We ask parent's co-operation in keeping this area clear at all times.

Please remember that to maximise the safety of all our students (and community) it is important to observe and follow all guidelines in place at all times:

- There is a 2-minute drop-off zone in place, which means 2 minutes maximum. Vehicles are not to be left unattended.
- There is a Permit Only Zone in front of the staff carpark. Please do not park here unless you have a permit.
- Abide by all road rules
- Use the crossings provided (manned or not) to cross the road
- Ensure children exit the car on the footpath side
- Encourage your children to stand on the footpath not on the road when leaving the car
- Be patient and respectful of other motorists

## Scholastics Book Club

## Closing date of current issue 19th February

Scholastic aims to give every child access to quality books and learning materials, and create literacy-rich homes, schools and communities throughout Australia.

To help achieve this goal, Scholastic Rewards were created as a form of currency as a way to give back to schools.

Every time you participate in a Scholastic offering, your School is being rewarded!

For example, for every Book Club order that you place, Scholastic gives back 20% of your total order spend to your school as Scholastic Rewards.

Scholastic gives away millions of dollars in Scholastic Rewards each year, helping to stretch countless school and classroom budgets further.

In doing so, educators have access to an extensive range of resources and cross-curriculum products to help their students reach their highest potential.

## Primary School Wear (PSW)

Wearing school uniform fosters pride in our school, encourages children to identify with the school and feel a sense of belonging. It also assists with supervision and safety on

visits out of the school, and unifies students from varying social and cultural backgrounds.

Primary School Wear (PSW) is our school uniform.

PSW is located at 342-350 Springvale Rd Glen Waverley 3150

For PSW uniform information, online ordering and click & collect services click [HERE](#)

**Year 1/2 Push and Pull Forces Incursion**  
Thursday, June 24th 2021, 11:00 am - Thursday, June 24th 2021, 2:45 pm

**Download Paper Form**

**Decline Event**

### 1 Event information

#### Description and educative purpose

The Year 1/2 students will celebrate our focus on push and pull forces through this hands-on toy incursion. Students will experience and understand push, pull, gravity and rotational inertia being lead by our visiting educators from Labcoat Learning. Each class will participate in a 50 minute session, drawing together our focus in STEM and Inquiry throughout Term 2.

## How to Reset Compass Password

If you require assistance with logging into Compass, you may have tried your password more than 3 times and Compass will lock you out of the system as a security measure. Please wait approximately 30 minutes and try again.

If you are still not able to remember the correct password and are needing your password reset, you can do this via the Compass login screen.

By clicking this option you will be stepped through a series of questions including a request to enter your current email or mobile phone number. Compass will use the information to forward the reset details so you must be able to access your email / mobile phone. ***Please note***, Compass will use the existing primary email or mobile on file for that user account for verification before completing a password reset for the user. If the mobile or email that they enter does not match what is on file they will not be able to proceed. For instances where it is Parent B of an account attempting to reset the password, the system will require Parent A's email/mobile as these details are considered the primary details for the household account.

If, after waiting 30 minutes and following the 'Can't access your account' instructions, please call or email the school office and we will attempt to assist you.

## School Uniform and Drink Bottles Reminder

Please ensure that your children are dressed each and every day wearing their CRPS uniform including school Sun Smart hat and school jumper or jacket.

Reminder. No glass bottles or containers should be bought to school, thank you.

# Privacy Information

## Primary School Privacy Information for parents and carers

During the ordinary course of your child's attendance at our school, school staff will collect your child's personal and health information when necessary to educate your child, or to support your child's social and emotional wellbeing or health in the school context. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is referred to a specific health service at school, such as a Student Support Services officer, the required consent will be obtained. Our school also collects information provided by parents and carers through the School Entrance Health Questionnaire (SEHQ) and the Early Childhood Intervention Service (ECIS) Transition Form.

Our school may use online tools, such as apps and other software, to effectively collect and manage information about your child for teaching and learning purposes, parent communication and engagement; student administration; and school management purposes. When our school uses these online tools, we take steps to ensure that your child's information is secure. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure is allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see our school's privacy policy: <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>

Throughout this notice, 'staff' includes principals, teachers, Student Support Service officers, youth workers, social workers, nurses and any other allied health practitioners and all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.

Schools Privacy Policy can be found
