Where Legends Begin

GETTING MOVING IN TERM 3

SCHOOL SELF-EVALUATION

CRPS is in its final year of the 2015-2018 Strategic Plan. This means we will be undertaking a self-evaluation of how we have tracked according to targets during this term and then creating our plan for future years in Term 4. We seek feedback and input on an ongoing basis, and there will be further opportunities for this over the next ten weeks. Parents, students and staff will all be able to provide feedback to us and this is so important for ongoing school development and improvement, and creating the type of school that is right for our community.

The first opportunity for parents will be in a quick 3-2-1 survey as you wait for your Three-Way Conferences. This will be available in foyers, outside classrooms and in the office area (I have attached an example later in the newsletter so that you can have a think about what you would like to say). I will also send this via Compass.

BOOK WEEK

Later in week 6 it is Book Week. One of the fun things planned for this week is a 'Dress Up As Your Favourite Book Character' Day. I encourage our parents and family members to be involved too. The students and staff are really looking forward to it!

FROM THE COACHES

Dear parents,

We are offering any parent of an F-6 student the opportunity to participate in a guided learning walk during Literacy time.

The aim of these sessions is to provide you with greater insight into the curriculum and pedagogy that support the teaching and learning at our school.

We will take you through a number of classrooms, explaining and discussing the theory and purpose behind what you observe happening. We will obviously be more than happy to answer any questions along the way.

The 2 proposed sessions will take place between 10-11am on Monday 13th August and Monday 27th August.

There will be opportunities to provide feedback after the walk.

If you are interested please write your name on your preferred date - lists will be at the office with Admin staff.

Thanking you - Tennille Anderson & Adrienne Meer

FOUNDATION ENROLMENTS 2019

We are now taking enrolments for students starting Foundation in 2019. So if you have a child who was born between May 2013 and 30 April 2014 then they are eligible for enrolment in 2019. This is for current siblings or other families in the area who wish to enroll their child. You can pick up an enrolment form from the office. We'd really appreciate you doing this as soon as you can, it makes the planning for 2019 so much easier.

The Foundation Transition Program starts on August 10!

Our Vision - Our vision is to be a connected community, learning, growing and achieving together.

Our Purpose - To maximise student learning through building a desire for personal excellence, a high sense of self-worth and a love of learning.

Your school community is here to help. If you have any comments, concerns or praise, please speak to your child's teacher, the principal or a School Council member.

FOUNDATION 100 DAYS

Today we celebrated 100 Days of school for our Foundation class. The students participated in a range of activities. One of the highlights was being presented with a card from their Year 6 buddy. It was also lovely for our mums, dads, family members and special friends to be a part of the special day, starting the day with a scrumptious morning tea. Thank you to everyone that came along to celebrate, a special thank you to Mrs Wardle for the beautiful slices and cakes for the adults and Mrs Simmons who made the lovely cupcakes for the students.

Congratulations to our Foundation 2018 and all that they achieved so far this year.

A big thankyou to all families who supported the school by collecting Coles Sports for Schools vouchers earlier in the year. With the vouchers we received we were able to order over \$2,000 worth of sports equipment through Ross Hayward Sports. What a fantastic effort. The students will certainly benefit. Thanks again for your support.

STAFF PROFILE

Name: Ashleigh Jacobs

Class: 5J

Favourite colour: Purple and teal

Favourite food: Milk chocolate – yum!

Favourite season: Spring

Favourite place: New York City and Mansfield (polar opposites!)

If you could be any animal, what and why? A cat or dog because they always seem to be pampered and are extremely loved. They get to play, eat and sleep all day, every day. They're living the life!

If you were a colour, what would you be and why? Once a student told me they thought of me as the colour blue because it demonstrates a calm temperament, creative tendencies and a gentle nature.

How would your class describe you in three words?

Calm, kind and creative

If you could have one wish – what would it be and why? I would wish for everyone to be healthy, happy, kind and appreciative of what they have.

Observed in 5J – In 5J you would see many engaged learners expanding their knowledge through questioning, collaboration and research. Students would be using their desks, stable tables, benches or cushions to help them learn in a manner that best suits their needs. Netbooks and iPads would be used to enhance learning. Students would be assisting their peers, using accountable language and of course you would see lots of big smiles and hear lots of laughter!

SCHOOL REVIEW

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

We are undertaking a self-evaluation of how our school has achieved the targets which were set in the last Strategic Plan, community perception of how CRPS operates and ideas for future directions. This will involve the input of students, families, staff and the broader community. Our first approach was the slip you will have received at the Three-Way Conferences (see below). If you have filled one of these out, yet haven't had the chance to return it, then just ask your child to place it in the classroom tub and it will make its way back to us.

ANOTHER WAY YOU CAN HAVE YOUR VOICE HEARD – A COMMUNITY FORUM

David Vinegrad, who has been working with the school to implement Restorative Practices, has wonderful skills in facilitation and garnering group ideas.

As an independent person David will be running a **Community Forum on the 23rd August from 7pm – 8.30pm.**

CRPS ran a similar event during our last self-evaluation and the feedback was very positive. So if you have the time, it would be great to have you there and to provide us with the information that we need to make the school as good as it can possibly be.
