Education Week and Open Night – Celebration of Cultures

Education Week is an annual celebration of education in Victoria.

This year's theme, 'Celebration of Cultures', highlights the diversity of our communities and the importance of every child feeling safe and welcome at school.

Our Open Day/Night will be held on Tuesday, 13th May during the following times:

- ***Open Morning: Tuesday 13th May (9:00am to 10:30am)***
- ***Open Night: Tuesday 13th May (5:00pm to 6:30pm)***

Families can only participate in the 'Celebration of Cultures' activities during the Night session between 5.00pm – 6.30pm.

The night will commence at 5.00pm in the School Hall with a performance by our School Choir who will sing two songs. Thanks to Ms Hong and the Choir for displaying their talents. The classrooms will be opened after the Choir has performed their songs, so we ask all people to meet in the hall at 5.00pm.

During our Open Day/Night, parents/grandparents/friends/community members will be encouraged to visit their child's classroom (and all specialist classrooms) and talk to their child/children about their learning and look at the work they have been completing at school. Parents and students will have the opportunity to visit all classrooms, specialist rooms, our STEM Room, our hall and our Green Screen Room during our Learning Expo. Please go around and visit all the learning spaces at our school.

On the night there will also be a coffee van for community members to purchase hot drinks.

We look forward to seeing as many people as possible on Tuesday, 13th May.

Thanks to the staff who are attending and preparing for this significant community event.

Congratulations

We are thrilled to share with the school community about some incredible results achieved by some of our students.

- Luca H in 4F participated in the Kangaroo Math Competition organised by Australian Maths Trust (AMT) in March, and he achieved **Perfect Score Award** with full marks. Well done, Lucas!
- Andrew T in 6J has been invited to compete in the Boys 50 metres Breaststroke event at the 2025 SSV State Primary & Secondary (Combined) Swimming Championships. This event will be held on Thursday, 1st May. Well done Andrew and good luck.
- Emilia S in 6J has been invited to compete in the Girls 50 metres Backstroke event at the 2025 SSV State Primary & Secondary (Combined) Swimming Championships. This event will be held on Thursday, 1st May. Well done Emilia and good luck.

Please leave all donations at the office or take them directly to Ms Tusia 5YT.

playgroup@CamelotRise

Playgroup at CRPS is on a Wednesday morning.

If you would like to join in the fun please contact us via the playgroup email address playgroup@camelotrise.vic.edu.au or for further information please call 98035344.

Playgroup is held in the Tydeman Arts Centre starting at 9.15am until 10.30am.

This is a fantastic opportunity for our school and local community to experience an informal play group session within the school grounds and provide the opportunity to develop social interactions for parents and children alike. We can all learn and grow together through play.

Canteen

The Canteen is now open for window sales on Wednesdays and Fridays.

Thank you to Angela and volunteers for making this possible.

We are looking for more volunteers to assist on Wednesday and Friday in the canteen. If you have a WWC and would like to help out between 1:00pm and 2:45pm on either day please contact the school office or complete this google form <https://forms.gle/6aypZcUtwpBHwGDC8>

We appreciate your assistance.

Parking

Parking is available along King Arthur Drive, Galahad Crescent and Avalon Avenue. Monash City Council Parking Inspectors regularly monitor the parking situation in Galahad Crescent.

As the safety of all our students is our prime concern, we are pleased that the Council has taken this initiative to ensure that the parking restrictions are observed. When vehicles are stopped or parked too close to the crossing, the visibility of drivers approaching the school crossing is impaired and this places our students at risk. We ask parent's co-operation in keeping this area clear at all times.

Please remember that to maximise the safety of all our students (and community) it is important to observe and follow all guidelines in place at all times:

- There is a 2-minute drop-off zone in place, which means 2 minutes maximum. Vehicles are not to be left unattended.
- There is a Permit Only Zone in front of the staff carpark. Please do not park here unless you have a permit.
- Abide by all road rules
- Use the crossings provided (manned or not) to cross the road
- Ensure children exit the car on the footpath side
- Encourage your children to stand on the footpath not on the road when leaving the car
- Be patient and respectful of other motorists

Scholastics Bookclub

Scholastic aims to give every child access to quality books and learning materials, and create literacy-rich homes, schools and communities throughout Australia.

To help achieve this goal, Scholastic Rewards were created as a form of currency as a way to give back to schools.

Every time you participate in a Scholastic offering, your School is being rewarded! For example, for every Book Club order that you place, Scholastic gives back 20% of your total order spend to your school as Scholastic Rewards.

Scholastic gives away millions of dollars in Scholastic Rewards each year, helping to stretch countless school and classroom budgets further. In doing so, educators have access to an extensive range of resources and cross-curriculum products to help their students reach their highest potential.

Primary School Wear (PSW)

Wearing school uniform fosters pride in our school, encourages children to identify with the school and feel a sense of belonging. It also assists with supervision and safety on visits out of the school, and unifies students from varying social and cultural backgrounds.

Primary School Wear (PSW) is our school uniform.

PSW is located at 342-350 Springvale Rd Glen
Waverley 3150

Enrolments for 2026

Last year, the Department of Education has introduced a new timeline for children starting Foundation (Prep).

The new timeline advises families when and how to enrol their child into Foundation (Prep) at a Victorian government school and seeks to make the enrolment process simpler, clearer and fairer for families.

You can read about the new guidelines at [Enrolling in Foundation \(Prep\) | Victorian Government \(www.vic.gov.au\)](https://www.vic.gov.au/enrolling-in-foundation-prep).

Upon acceptance of the offer, you will receive details of the transition sessions.

Wellbeing

Celebrating our Blue Level SWPBS Achievement

We are proud to share some exciting news with our school community—our school has achieved **Blue Level recognition** for our School-Wide Positive Behaviour Support (SWPBS) implementation in 2024!

This acknowledgment is a celebration of our whole-school commitment to creating a safe, respectful, and inclusive learning environment. It recognises the consistent efforts of our staff, students, and families in promoting positive behaviour and supporting student wellbeing through clear expectations and evidence-based practices.

Reaching the Blue Level reflects the fidelity with which we have implemented SWPBS, and the strong foundation we have built together. Thank you to our amazing school community for your ongoing support—your partnership plays a vital role in helping us maintain a positive and supportive school culture for every student.

We look forward to continuing this important work and reaching even greater heights in the future!

Privacy Information

Privacy Collection Notice for parents and carers

The Department of Education (the department) values your privacy and is committed to protecting the personal and health information that schools collect.

All school staff must comply with Victorian privacy law and the Schools' Privacy Policy. This notice explains how the department, including Victorian government schools (schools), handles personal and health information. On occasion, specific consent will be sought for the collection and use of information, for example, for a student to receive a health service. Our schools are also required by legislation, such as the *Education and Training Reform Act 2006*, to collect some of this information.

Throughout this notice, 'staff' includes principals, teachers, student support service officers, youth workers, social workers, nurses and any other allied health practitioners, and all other employees, contractors, volunteers and service providers of the school and the department.

On enrolment, and during the ordinary course of a student's attendance at a school, schools will collect information about students and their families for the following purposes:

- educating students
- supporting students' social and emotional wellbeing, and health
- fulfilling legal obligations, including duty of care, anti-discrimination law and occupational health and safety law
- communicating and engaging with parents
- student administration
- school management
- supporting policy in relation to student education and wellbeing.

If this information is not collected, schools may be unable to provide optimal education or support to students or fulfil legal obligations.

For example, our schools rely on parents to provide **health information** about any medical condition or disability that their child has, medication their child may take while at school, any known allergies and contact details of their child's doctor. If parents do not provide all relevant health information, this may put their child's health at risk.

Our schools also require current, relevant information about all **parents and carers** so that schools can take account of safety concerns that affect their children. Parents should provide schools with copies of all current parenting plans and court orders about or that affect their children and provide updated copies when they change.

When parents enrol their child in primary school, they will be asked to provide personal and health information in several ways, including via the Enrolment Form, the School Entrance Health Questionnaire (SEHQ) and the Early Childhood Intervention Service (ECIS) Transition Form.

The **Enrolment Form** is used to collect information that is essential for the purposes listed above, and requests information such as:

- **Emergency contacts** – Individuals parents nominate for a school to contact during an emergency. Parents should ensure that their nominated emergency contact agrees to their contact details being provided to the school and that they understand their details may be disclosed by the department if lawful, e.g. in the case of emergency communications relating to bush fires or floods.
- **Student background information** – Information about country of birth, Aboriginal or Torres Strait Islander origin, language spoken at home and parent occupation. This information enables the department to allocate appropriate resources to schools. The department also uses this information to plan for future educational needs in Victoria and shares some information with the Commonwealth government to monitor, plan and allocate resources.
- **Immunisation status** – This assists schools to manage health risks and legal obligations. The department may also provide this information to the Department of Health and Department of Families, Fairness and Housing to assess immunisation rates in Victoria, but not in a way which identifies students.
- **Visa status** – This is required to process a student's enrolment.

All schools may use departmental systems and online tools such as apps and other software to effectively collect and manage information about students and families for the purposes listed above.

When schools use these online tools, they take steps to ensure that student information is secure. If parents or carers have any concerns about the use of these online tools, please contact the school.

School staff will only share student and family information with other school staff who need to know to enable them to educate or support the student as described above. Information will only be shared outside the school (and outside the department) as required or authorised by law, including where sharing is required to meet duty of care, anti-discrimination, occupational health and safety, and child wellbeing and safety obligations. The information collected will not be disclosed beyond the school and department without parent consent unless such disclosure is lawful.

When a student transfers to another school (including Catholic, independent and interstate), personal and/or health information about that student may be transferred to the next school. Transferring this information is in the best interests of the student and assists the next school to provide the best possible education and support to the student. For further detail about how and what level of information is provided to the next school, refer to the: [Enrolment: Student transfers between schools](#)

Schools only provide school reports and ordinary school communications to students, parents, carers or others who have a legal right to that information. Requests for access to other student information or by others must be made by lodging a [Freedom of Information](#) (FOI) application.

To update student or family information, parents should contact their school.

For more information about how schools and the department collect and manage personal and health information, or how to access personal and health information held by a school about you or your child, refer to the: [Schools' Privacy Policy](#)

Studio Policy - 2025

Thank you for choosing the studio of teaching your children! Music is a valuable part of our lives, and it plays a significant role in our personal and professional growth. As a piano teacher, I understand the importance of creating a structured and supportive learning environment for my students. To ensure the best possible experience for everyone involved, I have established the following studio policy:

Session Attendance

Consistent attendance is a critical factor in ensuring the success of your child's musical education. Each session is designed to build upon the skills and knowledge acquired in the previous session. Therefore, it is essential that your child attends all scheduled sessions. If your child is unable to attend a session, please notify me as soon as possible, ideally at least 24 hours in advance, via email or phone call. This allows me to adjust the lesson plan accordingly and ensures that your child's progress is not hindered. If your child misses a session, please inform me of the reason, as I will need to adjust the lesson plan accordingly. If your child misses a session, please inform me of the reason, as I will need to adjust the lesson plan accordingly. If your child misses a session, please inform me of the reason, as I will need to adjust the lesson plan accordingly.

Lesson Fee

Lessons are held on a weekly basis, and the fee for each session is \$40. This fee includes the cost of the lesson and the use of the piano. Payment is due at the start of each session. If your child is unable to attend a session, please notify me as soon as possible, ideally at least 24 hours in advance, via email or phone call. This allows me to adjust the lesson plan accordingly and ensures that your child's progress is not hindered. If your child misses a session, please inform me of the reason, as I will need to adjust the lesson plan accordingly.

Lesson Materials

Students are responsible for purchasing their own sheet music and piano books. I will provide you with a list of recommended materials at the start of each session. It is important that your child brings all necessary materials to each lesson. If your child is unable to bring their materials, please notify me as soon as possible, ideally at least 24 hours in advance, via email or phone call. This allows me to adjust the lesson plan accordingly and ensures that your child's progress is not hindered. If your child misses a session, please inform me of the reason, as I will need to adjust the lesson plan accordingly.

Lesson Cancellation

If your child is unable to attend a session, please notify me as soon as possible, ideally at least 24 hours in advance, via email or phone call. This allows me to adjust the lesson plan accordingly and ensures that your child's progress is not hindered. If your child misses a session, please inform me of the reason, as I will need to adjust the lesson plan accordingly.

A Guide For Parents of Piano Students

Introduction

As a parent, you are looking for a teacher and a program that will help your child learn to play the piano. This guide is designed to help you make the best choice for your child. It covers the basics of piano instruction, from finding a teacher to understanding the piano itself. It also includes a section on digital pianos, which are becoming increasingly popular for home use.

Digital Pianos

Digital pianos are a great option for parents looking for a piano that is easy to use and doesn't require a lot of maintenance. They often have features like built-in speakers, recording capabilities, and even lessons. However, they may not have the same sound quality as an acoustic piano. This section discusses the pros and cons of digital pianos and how to choose the right one for your child.
