Reality Cheque - Whole School Production

There is a real sense of excitement and energy across the school as we put in the final preparations for this year's production. The students and teachers have worked tirelessly to get the production ready, and we hope that you are looking forward to seeing your child/ren shine. Costumes are now finalised, and polish is being added the grade items; we are just about ready for our big two nights of performances. The nights have finally arrived!

For those who may not have seen a Camelot Rise Production before, it would be fair to say 'it's bigger than Texas'. A huge amount of effort goes into staging a school production and we are incredibly excited to be able to have a whole school production again. Our last school production was held back in 2019! We look forward to holding our school productions every second year as has been the tradition at Camelot Rise Primary School.

Sometimes we get asked why we go to so much effort to stage a whole school production. Whilst it is hard to quantify, there are many tangible benefits in the experience for children. Here is just a few:

Fun – performing on stage, in costume, under lights is a fun and worthwhile learning experience.

Teamwork – the success of each performance item relies on working together reinforcing the importance of this essential life skill.

Confidence – Regular opportunities to perform, speak or present in front of others helps to build confidence, especially in public speaking.

Achievement – *When it is all over there is a great feeling that we have achieved something worthwhile both for each child, but also for our school community.*

There is also quality research that shows any involvement in performing arts is a valuable opportunity for learning for all children. Hence, the reason for it as a curriculum area and State-wide priority. For all these reasons and more we see this as an experience worthy of the investment of time, effort, and resources to ensure that our students continue to benefit from it.

Ticket sales are going very well, (people can still purchase tickets) and we look forward to two outstanding performances on Tuesday and Wednesday.

We thank parents for reading the Compass updates in relation to where / when to drop your child/ren off and collect them from. We thank you all in advance for following the times as specified on these notes. Please note that all students will be signed in and out, so we do ask for your patience.

There are many people to thank for their efforts in getting this production ready to be performed. Our Performing Arts Teacher, Ms Deb Hong and our Year 6 teacher, Mrs Sharyn Newstead are our Directors and have put in an enormous number of hours to this production. In 2021 Mrs Mary Katsigiannis and Mrs Rosemary Thom worked on this production before it was ultimately cancelled due to school lockdowns as a result of COVID – 19. We thank them for their efforts.

Our entire staff put many hours into this production, however, I would like to specifically mention the Production Team who have supported Deb and Sharyn throughout this time. Thank you: Debra Hong, Sharyn Newstead, Ben Heys, Kerryn Wardle, Christine Chara, Fiona Schwass, Chrissie Sandford-Ricci, Amanda Neary, Lani Burgess, Caroline Eaves, Ashleigh Jacobs, Hayley Lonsdale and Matthew Coney.

Thank you to our parents for sourcing costumes, driving children to and from the theatre, listening to lines and watching dance routines. Thank you for the support and guidance you provide to your children.

Finally, thank you to our talented students who have put in hours of time rehearsing (giving up their lunch times), learning dance routines, and learning the skills of performing. We trust this is a memorable time in your primary school experiences.

We look forward to seeing you at the theatre!

eSafety and Parental Controls on Devices and Accounts

As part of our commitment to child safety at Camelot Rise PS, we provide extensive eSafety training to all students from Prep – Grade 6. These lessons have been continuing throughout Term 3.

At school, our internet service has a comprehensive filter and at no times are students provided with free time on their iPad or other devices. At home, internet can be unfiltered and naturally, children will use technology for games and enjoyment. This can lead to the exploration of the internet and children gaining access to websites that are for adults. We strongly recommend that parents and carers monitor their child's internet usage and implement age-appropriate restrictions on their children's electronic devices.

To assist families with this, please click [here](#) for a link to the eSafety commissioner Parents Page to assist you with setting up an eSafe environment at home. There are excellent documents from the eSafety Commissioner on the following topics to Compass:

- 5 tips to keep your family safe online
- Parental controls on social media and games
- Parent controls on devices and accounts
- App checklist for parents

Term 4 School Review for the term of 2018 - 2022

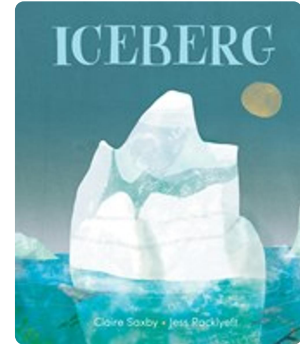

Every Government school in Victoria must participate in a school review every four years. The aim of the review is to measure school's performance over the last 4-years to inform the directions of the school's next 4-year School Strategic Plan (a legislative requirement for all schools). The aim of the review process is to create a self-sustaining cycle of continuous improvement, where schools are supported to improve student outcomes. Additionally, all schools (government and non-government) must comply with the Minimum Standards for school registration set out in the Education and Training Reform Act 2006 (Vic) (the Act), the Education and Training Reform Regulations 2017 (Vic) and Ministerial Orders, including the Child Safe Standards (Minimum Standards). This compliance process is undertaken simultaneously with the review.

Throughout this term, the school leadership team have been collating documents for the minimum compliance standards and writing the Pre-Review Self-Evaluation (PRSE). This work will be finished in the coming weeks.

In Term 4, a school reviewer, two challenge partners (experienced principals), the Senior Education Improvement Leader (SEIL), School Council President and staff from CRPS will participate in a school review over a three-day period. This review will include feedback from students, parents and staff. We will keep you updated about this process over the coming weeks and months. We are really looking forward to developing the exciting new directions for our school for the next four years.

Book Week 2022

Term 3 has certainly been action packed and last week we celebrated book week for 2022. This annual week of celebration coincides with the announcement of the winners of the Children's Book Council – Books of the Year awards. The picture story book of the year is always of great interest to primary school children and this year's winner, picture left, is Iceberg by Clare Saxby and Jess Racklyeft.

As part of our Book Week celebrations, we held our 'Book Week Dress Up' last Friday. There were many wonderful outfits worn on the day and this was another great school event.

Springtime Beckons

From Thursday 1st September all students will need to be wearing a sun smart hat as we once again enter the period of higher UV levels. Even though the weather can be still cold on some days the UV levels can still be damaging so all children must adhere to the school policy.

Pupil Free Days

This Friday 2nd September is a Curriculum Day - Pupil free day at Camelot Rise PS. This date was approved by School Council last year and has been advertised since the start of 2022.

Camp Australia will provide an Out of School Hours Care service on this day.

Monday, 5th September is also a Pupil Free Day at Camelot Rise PS. For our teaching and support staff this is a professional practice day, which is an entitlement of the Victorian Government Schools Agreement 2022. Our teachers will be undertaking a planning day for Term 4.

There will be no Out of School hours Care provided on Monday, 5th September.

Students will return to school on Tuesday, 6th September.

Victorian Association for Gifted and Talented Children: free parent seminars

The Victorian Association for Gifted and Talented Children is holding free seminars in Semester 2, which aim to educate and support parents and carers of high-ability children.

These seminars are designed to foster positive and collaborative home and school partnerships and connect families for networking and support.

These sessions might be of interest to some Camelot families.

Father's Day Pizza Night

Thank you to everyone who attended and assisted at the Camelot Rise PS Father's Day Pizza Night. It was a great to see the community come together.

Book Week Celebrations

'Book Week' is a celebration held each year across Australia with the aim of bringing children and books together. This years theme was "Dreaming with eyes open.."

Students and staff were encouraged to dress up as a character from one of their favourite stories.

We thank you for your participation and efforts in this celebration of literacy.

Passions

Level 1/2 parents presented their passions to inspire our students as part of their enquiry unit. Thank you for joining us.

"Around the World in Thirty Minutes" Cultural Exhibition

Over the past 6 weeks 5/6 students have been exploring how Australia culture has been influenced by many factors. As shown at the presentation influences are seen in art, sport, celebrations, food and music.

Victorian Premier's Reading Challenge

The Victorian Premier's Reading Challenge ends soon on September 2nd. Have you been reading?

Congratulations to all the students who have been busy reading books, whether they be fiction or non-fiction, poems or short stories. Remember to log your books and click "Finished" to let your teacher know that you have finished reading the book. All students that complete the challenge will receive a certificate of completion in Term 4. Enjoy!

We appreciate your assistance.

Parking around the school

Parking is available along King Arthur Drive, Galahad Crescent and Avalon Avenue. Monash City Council Parking Inspectors regularly monitor the parking situation in Galahad Crescent. As the safety of all our students is our prime concern, we are pleased that the Council has taken this initiative to ensure that the parking restrictions are observed. When vehicles are stopped or parked too close to the crossing, the visibility of drivers approaching the school crossing is impaired and this places our students at risk. We ask parent's co-operation in keeping this area clear at all times.

Please remember that to maximise the safety of all our students (and community) it is important to observe and follow all guidelines in place at all times:

- There is a 2-minute drop-off zone in place, which means 2 minutes maximum. Vehicles are not to be left unattended.
- There is a Permit Only Zone in front of the staff carpark. Please do not park here unless you have a permit.
- Abide by all road rules
- Use the crossings provided (manned or not) to cross the road
- Ensure children exit the car on the footpath side
- Encourage your children to stand on the footpath not on the road when leaving the car
- Be patient and respectful of other motorists

playgroup@CamelotRise

Playgroup is back on Wednesdays.

If you would like to join in the fun please contact us via the playgroup email address playgroup@camelotrise.vic.edu.au or for further information please call 98035344. Playgroup is held in the Tydeman Arts Centre starting at 9.15am until 10.30am.

This is a fantastic opportunity for our school and local community to experience an informal play group session within the school grounds and provide the opportunity to develop social interactions for parents and children alike. We can all learn and grow together through play.

Scholastics Book Club

Scholastic aims to give every child access to quality books and learning materials, and create literacy-rich homes, schools and communities throughout Australia.

To help achieve this goal, Scholastic Rewards were created as a form of currency as a way to give back to schools.

Every time you participate in a Scholastic offering, your School is being rewarded!

For example, for every Book Club order that you place, Scholastic gives back 20% of your total order spend to your school as Scholastic Rewards.

Scholastic gives away millions of dollars in Scholastic Rewards each year, helping to stretch countless school and classroom budgets further.

In doing so, educators have access to an extensive range of resources and cross-curriculum products to help their students reach their highest potential.

Primary School Wear (PSW)

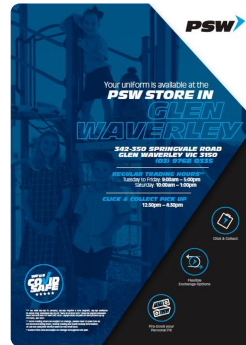

Wearing school uniform fosters pride in our school, encourages children to identify with the school and feel a sense of belonging. It also assists with supervision and safety on visits out of the school, and unifies students from varying social and cultural backgrounds.

Stay warm this winter like our Foundation team. Purchase your beanie from the PSW store.

Primary School Wear (PSW) is our school uniform.

PSW is located at 342-350 Springvale Rd
Glen Waverley 3150

Can't access your account?

If you are still not able to remember the correct password and are needing your password reset, you can do this via the Compass login screen.

By clicking this option you will be stepped through a series of questions including a request to enter your current email or mobile phone number. Compass will use the information to forward the reset details so you must be able to access your email / mobile phone. ***Please note***, Compass will use the existing primary email or mobile on file for that user account for verification before completing a password reset for the user. If the mobile or email that they enter does not match what is on file they will not be able to proceed. For instances where it is Parent B of an account attempting to reset the password, the system will require Parent A's email/mobile as these details are considered the primary details for the household account.

If, after waiting 30 minutes and following the 'Cant access your account' instructions, please call or email the school office and we will attempt to assist you.
