Principal Report

Importance of Sleep

We recognise that sleep maximises the brain growth that occurs in both toddlers and teenagers. Sleep also consolidates learning. Sleep research has shown that the brain practises what it has learned during the day when a young person is asleep. So sufficient sleep consolidates past learning as well as keeping a young person fresh to maximise their future learning. Sleep experts stress that while adults may not have control over biology we can assist children and teens to establish good sleep patterns. It has been noted that children who develop good sleep patterns tend to carry these into adolescence. If you are the parent of young children and find yourself struggling to get them to sleep, or you are regularly battling kids who want to stay up longer, then some knowledge of good sleep habits may be useful.

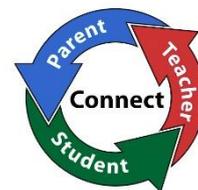

Michael Grose has published a text titled 'Sleep- How to make sure they get the sleep they need for good health, wellbeing and learning.'

A well-rested person can learn more easily and more thoroughly than a sleepy person. Let's look at the science. Rested brains learn more readily. Well-rested (not sleep- deprived) brains do a bunch of tasks better than sleepy brains. In tests of response time to stimuli, agility, ability to remember new material and to perform things like mental arithmetic, the superiority of the rested brain has been shown again and again. It's so cliché that these types of tests are performed by psychology students early in their training in order to get their feet wet with research

3-Way Conferences

Thanks to all families who have made a time for a 3-Way conference this week. These are a wonderful opportunity to celebrate the learning of the children and look towards the next steps in their learning. I know many of you are booked in for Tuesday 25th July however if you have not had the opportunity to book a time with the teacher yet please make sure you do.

Specialist teachers are also available between 3.45-5.30pm tonight (Tuesday 25th July), please email these teachers directly through Compass if you wish to book a time. Thanks in advance to the teachers for their preparation for these meetings, and to the students for planning wonderful things to talk about with their teachers and families.

Junior School Council Representatives - Semester 2

Please be aware that the JSC representatives for Semester 2 will be receiving their badges at assembly next week, Monday 31st July. Parents are always invited and most welcome to come along.

Project Day #3

This Saturday is Project Day #3 coinciding with National Tree Day, between 1:00-4:00pm. Please see the flier included in this newsletter which outlines the core work required on this day.

Mrs Steph Johnson

All the best to Mrs Steph Johnson who will spend her last day with the class on Friday 28th July before going on maternity leave. We wish Steph and Paul the most wonderful time as they welcome their first child in a few weeks. Ms Amanda Neary will replace Mrs Johnson in 4J from Monday 31st July.

Please remember my door is always open and I am available whether you are able to make it to the school or not.

Email me on thomas.helen.h@edumail.vic.gov.au or call the school on 9803 5344 and ask to speak with me. I'm happy to talk on the spot if I am available or to make an appointment/phone call at another time.

Assistant Principal Report

Thanks to everyone who contributed to a successful first week back at CRPS, learning is well under way for Term 3. We have a busy week ahead with 3-Way Conferences – the teachers are really looking forward to discussing each child and their learning with parents.

Outside play – Muddy oval

Unfortunately during Winter it is challenging to play safely and keep clean on the oval – particularly, games like soccer which result in muddy clothes and shoes (and wet, uncomfortable children – not ideal for learning!)

Whilst we never want to deny our students opportunities to play games and develop social connections outside the classroom, it has been brought to our attention that this is causing some concern for parents as well as students who are finding it difficult to play soccer elsewhere in the yard.

Please talk to your children about making smart choices in the yard during Winter.

We have discussed some of these challenges with students through the week, asking for input and trying to explore some options.

We have decided to set up one of the basketball courts with soccer cones as an alternative to the oval during Winter, and the other court can be half basketball/half netball. This should help everyone involved. The gym was an option, however with production, Hoop time and yoga this is not a possibility during lunchtimes. Mr Roberts, Mr Heys and myself have also talked with the students about clarity of rules and behaviour to encourage positive play. The only day this won't work is Wednesdays, due to netball training and hoop time so the students will need to make other arrangements on this day, using the oval IF it is not too muddy.

Please reinforce this with your children at home. Any children who cannot play in accordance with the expectations will lose this privilege.

Attendance

I know this is something we often mention, but it can't be over communicated. Timely, regular attendance at school is crucial.

Every day counts.

PLEASE ensure you are communicating clearly with the school if there are any extended absences, as we have a duty of care to provide leave plans.

If you are LATE you MUST sign children in at the front office. Likewise, children must be signed out at the office for early dismissals.

A reminder that being organised and on time helps everyone – traffic wise, classroom (all student learning) and staff, and parents – children are more settled and ready to learn in a predictive environment and routine. If anyone requires support or advice please contact the school.

Student Support Services

We work with a range of specialised services and professionals who can often provide the school with differentiated support for students.

If you have any concerns, questions or queries about these services feel free to talk to your child's class teacher or someone at the office.

From our students....

In our day-to-day work, our students often say insightful, thoughtful things that make us smile. Here are some from the week that was!

- *'When I grow up I want to be a policeman because they get free cars' – Jenson, 1W*
- *'I love dancing because of all the competitions I get to go in' – Mika, 1H*
- *'Even though I haven't been to many places, I know a lot about them because I have a world globe' – Drew, 1W*
- *'When I grow up I want to be a singer' – Tarim, 1W*

'Never stop learning, because life never stops teaching'

Enjoy the week!

Project Day #3

National Tree Planting Day

Dear Families,

Our third Project Day for Term 3 2017 is fast approaching and will coincide with National Tree Planting Day! If you are available and can help on **Sunday 30th July** it would be fantastic.

Could you please return the slip below before Wednesday 26th July, 2017 with your details completed. Alternatively, you can contact the school directly so we can finalise our numbers and confirm the projects for the day.

Tea and coffee facilities will be available to ensure that you stay warm and energised and we will also provide plenty of healthy refreshments.

Please make sure all attendees wear closed shoes and appropriate warm clothing as we will be working outdoors. The school has plenty of gardening tools to use on the day.

Thank you for your continued support.

CRPS Parents' Club PC Connect

Term 3 / 2017

There are a number of events and activities that CRPS Parents' Club will be assisting the school with for the remainder of 2017. We all want to make our school a better place, so please get on board if you can and let us know how you can help.

"Thank you"

Volunteers help out in so many ways around our school. In addition to the amazing work of parent helpers in class and on excursions, parent volunteers help out in the library and with various extra-curricular activities. Thanks to everyone who spends time helping out!

Parents and teachers volunteer on a number of committees through School Council (SC). All of these people are there for the same reason – to contribute towards creating a wonderful learning environment for our children. So, from Parents' Club (PC) – a huge thank you to all of the people involved on SC and its sub-committees. These roles can be a lot of work and we appreciate what you are doing on behalf of the school community.

We also want to thank the volunteers who work on PC activities. They are such a dedicated and supportive team and their work is very much appreciated!

What is PC & how are we changing?

PC is a group of parents at the school who volunteer across a wide variety of activities at CRPS. These activities are managed through a committee which meets once a month to coordinate services and activities. The PC at CRPS has always been a great way to get to know other parents in the school community and has traditionally had a strong fundraising component. PC is currently updating the aims and direction of the group and is working on how we can continue to contribute to the resourcing of CRPS, while increasing our efforts towards community-building within our school. As a part of this process we will be changing our name in 2018 to Camelot Rise Community Association (CRCA) to better reflect who contributes to our school community.

What do we do?

There are a number of services in the school which are coordinated through PC. These services may also provide some profit to the school: Uniform Shop, Canteen, School Banking and Book Club.

In addition to these services, PC likes to run events throughout the year which are aimed at providing a bit of fun for the kids and may raise some funds. This year our events have raised over \$3000, which goes directly to our school. These events are sometimes fun morning teas or lunches or can be after school activities which provide an opportunity for students to socialise in a safe, supervised environment.

Most years PC also run larger events which have a social and fundraising component – an example being the Trivia Nights for adults in the school community along with their friends. This year we are putting a lot of effort into working on the direction of PC so we are keeping our events simple. Rather than a large school fundraiser, we are providing more opportunities for families to engage by holding fun events for the children where parents can help and meet other families. We are also moving towards increasing relaxed social opportunities by having tea/coffee available while students are participating in after-hours events.

Events this term

Foundation Parents' Morning Tea (Thurs 3 August, 9.00am)

An invitation has gone out to all Foundation families inviting parents/carers to a morning tea to coincide with the 100 Days of Foundation celebration.

Coordinators: Kellie C. (2S & FC) & Meera K. (5J & FN)

Disco (Friday 25th August)

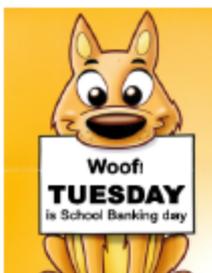

Students are invited to attend a disco to be held on the evening of Friday 25th August. There will be a Junior and Senior disco. For the Junior disco (Foundation to Level 2) parents are asked to sign their children in at 5.45pm and sign them out and collect them at 7pm. For the Senior disco (Level 3 - Level 6) parents sign their children in at 7pm and sign them out and collect them at 9pm. The Tydean Arts Centre will be open during the disco for tea and coffee and the chance to meet other parents. In addition to helpers on the night, we would love some assistance to set up the hall and prepare the fruit for the children's snack. As with most events, we will need help to count money in the weeks before the event. Forms will be sent home with students the week of 31st July and be due back Thurs 10th August. As with all PC forms and notices, a copy of the form will be available on the school website and on the noticeboard.

Coordinators: Junior Disco – Belinda F. (5Y), Louise S.J. (2A & 2G) & Kellie C. (2S & FC), Senior Disco – Belinda F. (5Y) & Nat G. (5J & 3H)

Celebrating our volunteers

Did you know that each week a group of volunteers process the School Banking?

These fabulous Camelot Rise Primary School parents count all the money and process the rewards. Without their help our school could not offer the School Banking program. School Banking not only teaches our children to save money, it also raises funds for the school.

Please note that it often takes 3 weeks for rewards to arrive, so we thank you for your patience.

Would you like to help?

A form has gone home with students to seek assistance with the running of these events. We would love to involve as many people as possible, so if you'd like to help please return the form as soon as you can.

Father's Day Breakfast (Friday 1st September)

To celebrate all the wonderful fathers and special carers in our school community, we are inviting our students and their fathers (or another special person) to attend the annual Father's Day Breakfast. The breakfast will be held before school with families having the option to purchase tickets for either a hot or cold breakfast. Assistance is required in the weeks prior to the event to count money, at 2pm on the day prior to the breakfast and on the breakfast morning. Forms will be sent home with students the week of Monday 14th August and will be due back on Thursday 24th August. Forms will also be on the school website and noticeboard.

Coordinators: Belinda F. (5Y) & Donyaele d.V. (5J & 2G)

Footy Fever Day Lunch (Friday 22nd September)

Footy Fever Day is a fun day for the students where they are invited to dress in their favourite footy team's colours and participate in football activities. Parents' Club offer a football themed hot-lunch to pre-order and be served on the day. Help will be needed in the weeks prior to the event to count money and on the day over the lunch period to package and distribute orders to classes. Forms will be sent home with students the week of 28th August and be due back Thursday 7th September. Forms will also be on the school website and noticeboard

Coordinators: Belinda F. (5Y) & TBC

School Noticeboard

Have you noticed the new noticeboard?? Notices from PC and the school will be displayed in the noticeboard, which is outside the Uniform Shop door. Thanks to Helen Thomas and Simon Judkins for organising this. If there are other ways we can connect with the community please feel free to mention it to a PC member or email us.

Program Update

Dear Parents

Welcome back to Term 3! We hope you all enjoyed a nice break and are back refreshed and ready for another great term.

Play On Sport

The process for Play On Sports for Term 3 has changed. The new process for Play On Sports will be:-

- The Play On Sports session will commence 15 minutes after the school bell (3.45pm)
- If a child is enrolled in both OSHClub and Play On Sports the parent MUST sign a release and return form prior to Play On commencing
- If a child is booked into ASC the Play On Coach will collect the child from the service, sign them out and back in.

Community Donation Initiative

**PLEASE ASSIST

Camelot Rise OSHClub together with Bayswater North OSHClub are getting involved with Kulumburu Mission in Western Australia. We will be collecting specific items of clothing to send to the mission. Tuning in to Kids

Emotionally Intelligent Parenting

A six session parenting program for parents of children aged 4 to 11

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning In to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!
