## Principal Report

### Welcome Back

Welcome back everyone, I do hope you all had a wonderful break and had an opportunity for some down time with family and friends. Whilst I caught up on some work both at school and around home in the first week, I did have the opportunity to get away to the Northern Territory for the second week. The weather was beautiful for swimming, snorkelling and a game of AFL on the last weekend in Darwin. It was very chilly when I got back to

Melbourne on Sunday night, diving into the suitcase at the airport to put the winter pants, coat and boots on.

Term 3 will be a very busy term with our Whole School Production taking place in week 9. The students across the school will be rehearsing across the term with minimal disruption to the timetable. The normal program will operate across all classes for the majority of the term with some extra rehearsals closer to the Production week.

### Staffing News

A big welcome to Ms JoAnne Frances who will be class teacher of 2S for the remainder of the year. We also welcome Miss Amanda Neary as class teacher of 5Y before taking over from Mrs Stephanie Johnson who will be heading off on maternity leave for the first three weeks of term, Mr Peter Mills will be on Long Service Leave (LSL) and replaced by Mrs Danielle Macleod. Miss Tennille Anderson our other substantive Assistant Principal will work an additional day. Mrs Kerryn Wardle is also on Long Service Leave for the first two weeks of the term.

### Project day #3- National Tree Day- Sunday 30<sup>th</sup> July

On Sunday 30<sup>th</sup> July, we will be celebrating National Tree Day with Project Day #3. Please mark the date in your diary now and a notice will be sent home with a list of jobs that our families can come along and assist.

### Three- Way Conferences Tuesday 25<sup>th</sup> July 3:45-8:00pm

Three-Way Conferences provide an opportunity for your child to discuss their progress with you and their teacher, show examples of the work in their portfolio and set goals for continued growth. If parents wish to have a further discussion with the teacher this can be accommodated in person for all students. Parents are encouraged to contact the class teacher at other times, particularly if they have a concern about their child's progress or if there is a matter of importance that needs to be discussed. This may be done through emailing on Compass or through the home reading diary for Foundation -Level 4 or school diary for students in Levels 5 and 6. The teacher should always be your first port of call. The Principal/ Assistant Principal are always available for parents to discuss any matter they may have. Please remember that nothing is trivial if it is causing you concern.

**Bookings will be open THIS Wednesday at 8:00pm, a reminder notification will be sent through Compass.** Our Specialists (Rosemary Arney, Karla Nyhuis, Dean Roberts, and Pauline Molenaar) will also be available from 3:45-6:00pm on the same day if you need to speak/ meet with them please email them directly through Compass.

Mary Katsigiannis (Visual Arts Level 3-6) works Wednesday to Friday. If you wish to make an appointment to see her please contact her directly via Compass

### Celebrate

On the holidays Ishi K (Grade 2S) made a very kind and brave act of donating her hair for kids with cancer. Ishi learnt about how children can lose their hair to an illness and really felt for them. She decided to chop off her hair and give it to a children's charity who make wigs for these sick children. Her hair donation also raised around \$650 from family and friends to give to the children's charity. Please see attached Ishi's photo pre and post this chop. Her act has motivated her family and we thought it was important to let people around her know of her kindness.

### School routines

Just a reminder to all families at the beginning of Term 3 that at 8:50am we open the classrooms for all students to drop their belongings and start to get ready for the school day. Learning time begins promptly at 9:00am. It is important for all students to be ready by this time as attending class late may result in the student missing important instructions. It can also interrupt the teacher and students who have already started their tasks for the day. Regular routines really assist students to set them up for the best possible learning day at school.

Just a reminder that if you arrive at school AFTER 9:00am, a family member of carer **MUST** sign the student in at the school office. This is a department of education requirement.

### Junior Playground

Over the holidays, the replacement platforms for the junior play area finally arrived and were installed. This area is operational again. Thank you to Mr Judkins for leading this project, the students were very happily playing again on the slide.

Have a wonderful week of learning and once again welcome back.

## **Assistant Principal Report**

### **Welcome Back!**

I hope that everyone enjoyed the Winter school holidays! Although it is trickier to get outdoors during the chilly temperatures, it's often a great time to rest and recharge – finding fun things to do inside. I got lots of reading done, enjoyed spending time with London and my family and friends. I am really looking forward to being at CRPS a little more this Term, to help in Mr. Mills' absence for the first few weeks.

Term 3 promises to be super busy (what term isn't?!) in the Camelot Rise PS community, but exceptionally exciting with our Whole School Production looming!

### **Curriculum News**

#### *The Quest – Term 3*

This term teachers have worked hard to develop inquiry units around the Victorian Curriculum core Science components. They have planned so that the Literacy and Numeracy taught make direct links with the Inquiry concepts explored.

The focus questions/concepts which inquiry units at each level will be based around, stemming from the whole school essential question – How does the world work? are as follows:

<i>(Foundation)</i>	<i>The Earth and me</i>
<i>Level 1</i>	<i>How does the weather affect us?</i>
<i>Level 2</i>	<i>How does the Earth impact us?</i>
<i>Level 3</i>	<i>The Earth, moon and sun</i>
<i>Level 4</i>	<i>The Earth beneath our feet</i>
<i>Level 5</i>	<i>The Solar System</i>
<i>Level 6</i>	<i>Natural Disasters/geological events</i>

For more curriculum information please refer to the department website: <http://www.vcaa.vic.edu.au/>

### **Classroom Libraries & Independent Reading**

This term you will notice every classroom has a new set of bookshelves filled with lots of books to support our classroom reading programs. So what is independent reading and why do we do it? At Camelot Rise we make decisions about curriculum and teaching practice and pedagogy based on evidence and research – what we know works!

#### *Independent Reading*

Is NOT silent reading, or free reading! It is the end result of a well-executed balanced literacy program. It allows students the chance to 'practice' the strategies they've learned through guided reading, shared reading and read aloud – the other components of a balanced Literacy program. With level appropriate materials (just right books) students develop the skills and strategies they need to read on their own, resulting in more confident and excited approaches to reading.

#### *Classroom Libraries*

Classroom libraries are one important part of a Literacy-rich environment. They offer opportunities for students to engage in texts that reflect their interests and support class reading as there is easier and more equitable access to texts located not only on a shelf but displayed through the classroom.

Students play an integral role in the development of the classroom library by being involved in the continual, revolving selection of texts.

We know that student ownership and participation in the classroom library helps foster reading engagement.

### Lunchtime activities – Term 3

Each term we run optional lunchtime activities for all students from Foundation through to Level 6. A reminder of what is on this Term is as follows:

Day	First half Lunch 1:10-1:35pm	Second Half Lunch 1:35-2:55pm

## Before School / After School Care

### Program Update

#### Dear Parents

Welcome back to Term 3! We hope you all enjoyed a nice break and are back refreshed and ready for another great term.

#### Play On Sport

The process for Play On Sports for Term 3 has changed. The new process for Play On Sports will be:

- The Play On Sports session will commence 15 minutes after the school bell
- If a child is enrolled in both OSHClub and Play On Sports the parent **MUST** sign a release and return form prior to Play On Sport commencing
- If a child is booked into After School Care the Play On Coach will collect the child from the service, sign them out and back in.

#### Community Donation Initiative

##### \*\*PLEASE ASSIST

Camelot Rise OSHClub together with Bayswater North OSHClub are getting involved with Kulumburu Mission in Western Australia. We will be collecting specific items of clothing to send to the mission. Kulumburu is one of the poorest and remotest missions in Australia. They are in need of the following items.

Summer baby clothes size 0-1, underwear all types, kids summer clothes, summer dresses, tops and skirts

In large sizes (for older ladies), men's cargo, shorts, tee shirts in large/XL, towels and single sheets and pillowcases.

These donations will be gratefully received and we will ensure they arrive at their destination.

## Tuning in to Kids

### Emotionally Intelligent Parenting

A six session parenting program for  
parents of children aged 4 to 11

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry tend to have fewer childhood illnesses

Emotional Intelligence may be a better predictor of academic and career success than IQ!
